ST. LOUIS CAPITAL IS HIGHEST BIDDER

American Paper Products Company
at Carthage Sold to Creditors
Committee of Missouri

CONSIDERATION OF \$250,000

Plant Has Indebtedness of a Million
and Creditors Will Share Less
Than 20 Cents on Dollar

St. Louis capital purchased the American Paper Products company plant at Carthage Monday afternoon, when it was placed on the market to the highest bidder, and brought \$250,000.

The bid was presented by Andrew H. Kaufman of St. Louis, said to be a representative of the bondholders committee of the paper mill, and engineered by Henry Davis, of the firm of Bryan, Williams and Cave of St. Louis, representing the St. Louis Union Trust company, trustee of the mortgage to secure the bonds.

The confirmation of the sale was immediately objected to by the Lagerloef Trading Company of Chicago, and late Monday in court the arguments were presented in the matter, and decided by Judge Sparks, who overruled their objections and confirmed the sale.

The transaction was made immediately and the necessary deed prepared in which the property at Carthage was transferred to the new owners. It was stated today that the prospects for the operation of the concern were not very bright, and it was intimated that a further sale would not doubt be made in the course of time to some concern that will place the factory in operation.

The plant was appraised at \$240,000, and the lone bid submitted Monday afternoon was for \$250,000. Attorneys today were figuring up the claims and indebtedness against the concern, so that payment can be made, and it was intimated that the creditors would share less than 20 cents on the dollar.

The Carthage plant is faced with an indebtedness of one million dollars. Of this amount there is pending on claims in the local court about \$400,000, which includes bank notes and bankable papers, as well as claims by firms, corporations and individuals. The remaining \$400,000 is outstanding bonds secured by the mortgages.

The paper mill, which is among the chief industries of northern Rush county, went into the hands of a receiver in the United States District court of Missouri at St. Louis last fall. The court there appointed Ley Rexford of St. Louis as receiver, and named John A. Tinsworth of this city as an ancillary receiver.

The receivers for the concern operated the plant until all material on hand was used and orders filled, but in recent months the plant has not been in operation.

At one time a plan was under way to perfect a reorganization of the concern, but this plan was abandoned after it was objected to in court, and the sale of the property was then ordered to the highest bidder, which terminated Monday with the sale.

SENTIMENT FOR DEFENDANT

Earl Woodward on Trial for Kidnapping 11-Year-Old Girl

Bennington, Vt., May 19—The state took less than two hours today to present its case against Earl Woodward, accused of kidnapping eleven-year-old Lucile Schatterton.

Only three witnesses were called to testify against the man who a short time ago was hunted by a posse of two hundred Vermont farmers, under instructions to shoot him on sight.

Lucille, her father and her mother, were on the witness stand. Each told a seemingly perfunctory story of the kidnapping. Sympathy in the court room apparently was overwhelmingly in Woodward's favor when the state rested its case and adjournment was taken until afternoon.

PUMPER STICKS IN A DITCH

Fire Truck Mired Down in Eleventh Indiana State Library Morning

Pumper 2 from the local fire station had a peculiar accident this morning about 7 o'clock, when it was being "exercised." A front and rear wheel mired in West Eleventh street, near Harrison, when it struck a ditch that had recently been filled in, and the heavy machine went through to the hub. It was necessary to summon aid from a garage, and it required some effort to get the truck back on solid ground, and out of the place where the ditch had been filled. No damage resulted.

Motorists are warned to be careful in driving machines in West Eleventh, because of the ditch work that has been in progress lately in that vicinity.

TRACK MEN GUESTS AT ROTARY MEETING

Three Who Will Represent Red and Black in State Meet Saturday
Guests of Club

VALUE OF TRACK WORK SHOWN

Receiver of Paper Products Plant
and Attorney of St. Louis Address Rotarians

Rushville high school track team winners, who will represent the red and black in the state track meet next Saturday, the high school coach and St. Louis men who were here for the settlement of the receiver-ship of the American Paper Products company, at Carthage were guests at the Rotary club today. Andy Frazee, a Comersville Rotarian, was also present at the meeting.

Arrangements were made for representation of the club at the annual international convention of Rotary at Cleveland, O., June 15 to 19, and indications are that the president and secretary, George J. Griesser and Donald D. Ball, and several other Rotarians will attend.

Franklin Miller, who will be the Rushville entry in the shotput and high hurdles; Melvin Farthing, who will try for a place in the high jump, and Robert Newbold, who will represent R. H. S. in the pole vault, were introduced to the club by Eugene B. Butler, high school principal, and each given vigorous applause.

John M. Swain, high school athletic director, also was introduced and made a plea for more support of the track and field sport. If it were as good as basketball, he asserted, Rushville could win the state meet.

"Track is a better, more manly sport than basketball," Mr. Swain declared, "because it is all in the open and the boys get the advantage of the fresh air. The responsibility is all on the individual. In basketball, a man may loaf and let the other fellows do the work, or he may call time, but in track the responsibility is all on the individual."

He pointed out that teams which had good basketball teams also had good track teams, some schools he mentioned being Kokomo, Vincennes, Frankfort and Bedford.

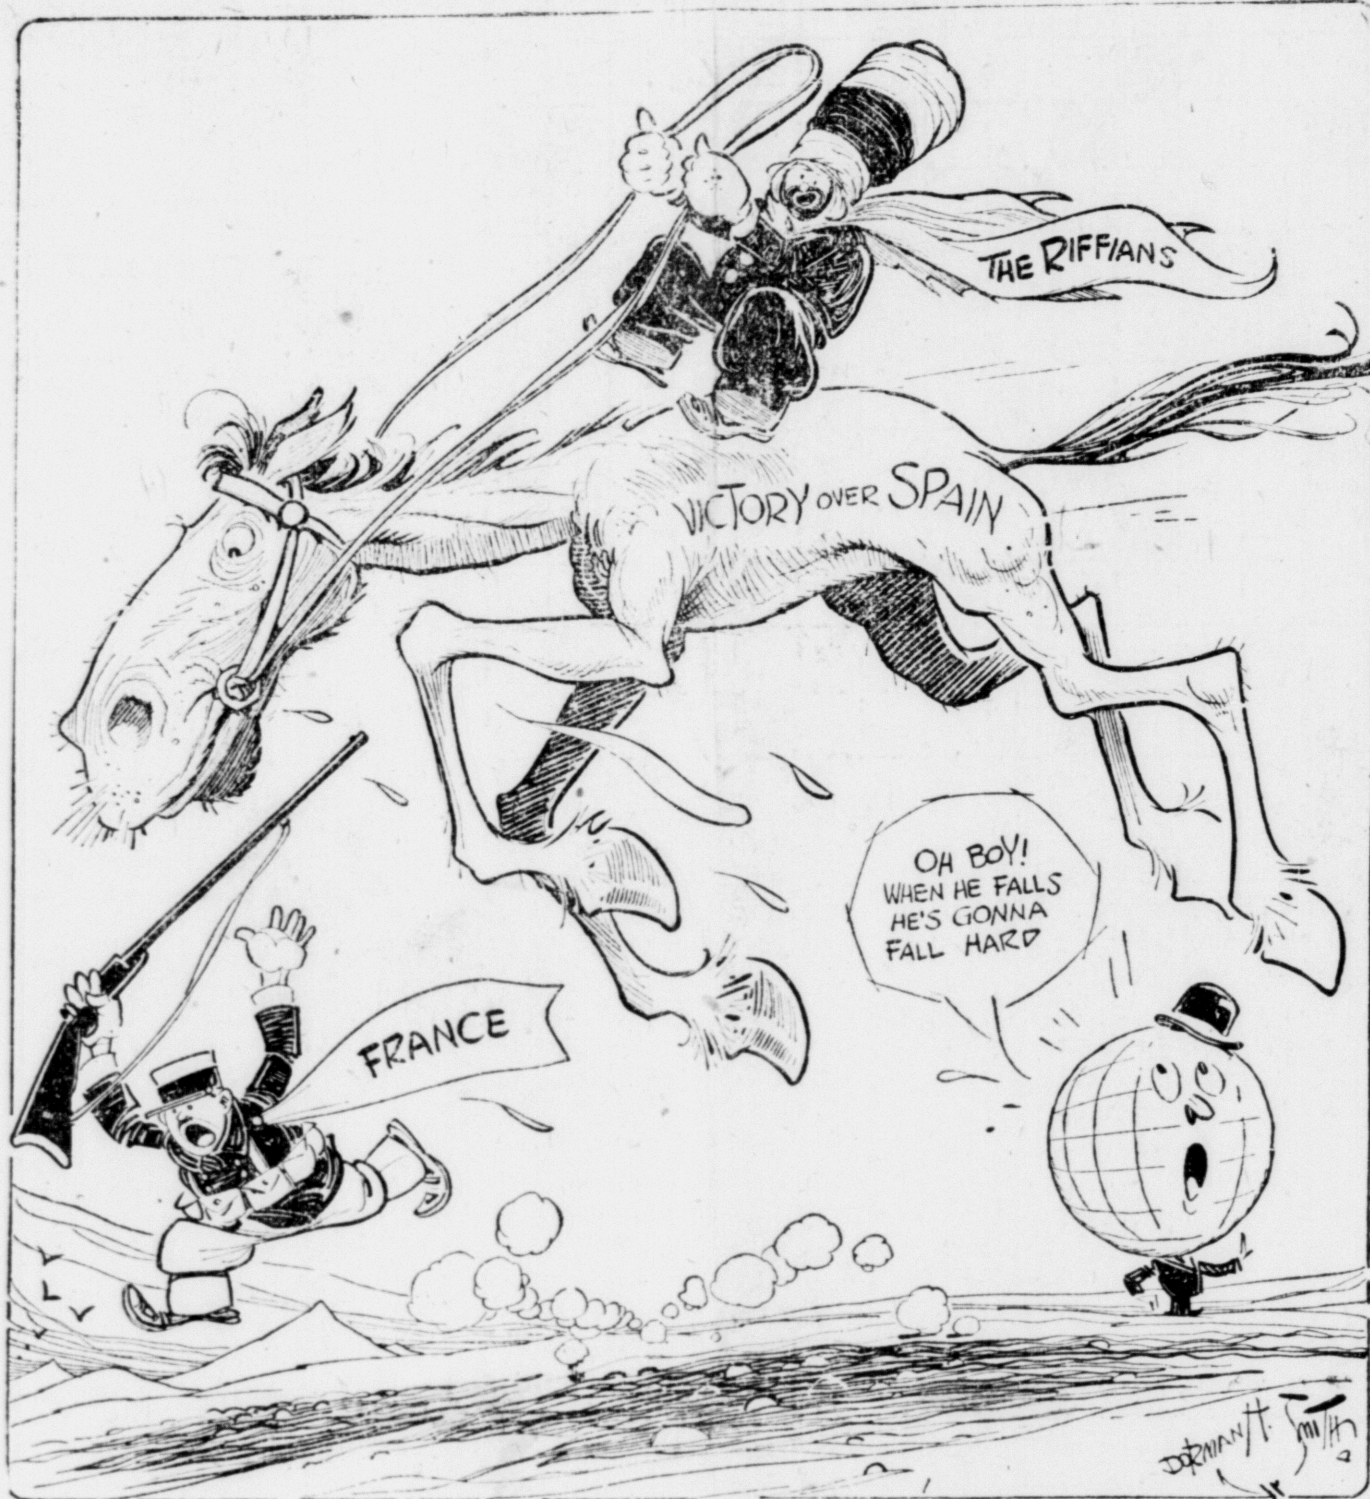

"Track sports are fine to build up manhood," he added, "and that is the first consideration in high school athletics. Manhood will be of great benefit when material is not as good as it has been in the past."

Ley Rexford of St. Louis, who was appointed receiver for the Carthage factory last fall, spoke for a few minutes, declaring his belief in Rotary and the idea it represents. Mr. Rexford said he was a member of the St. Louis Rotary club but had to resign on account of taking up a new business. He declared that a Rotary club can't help but be beneficial. He also pointed out the obligation of the Rotarian to his club to attend the international conventions, if he found it at all possible.

Thomas W. White of St. Louis, who was attorney for the receiver in the proceedings, said that he was impressed with the spirit of Rotary and the good clean fun that he always found at meetings he had attended.

"No institution is as varied," he said. "Even Heintz's fifty-seven varieties are not compared with the Continued on Page Three"

RIDING HIS HIGH HORSE

FOR OPERATING A CAR WHILE DRUNK

James Clegg of Carthage is Arrested at Shelbyville and is Released on Bond

CHARGE IN CIRCUIT COURT

James Clegg of Carthage, was released from the Shelby county jail at Shelbyville Monday afternoon, after providing bond for his appearance in the circuit court, where he is charged with operating an automobile while intoxicated.

He also is charged with intoxication in an affidavit filed in Justice Ray's court, and he gave bond of \$50 for his appearance on this charge, after pleading not guilty. The bond in the circuit court was \$200.

He was arrested Sunday morning at Shelbyville, following an automobile accident, when the machine which he was driving smashed into a car driven by Alonzo Rhodes, living north of Shelbyville. According to the officers, the machine of Rhodes was not damaged badly, but the machine that Clegg was driving was bent and broken and damaged so that he could not drive it. When the officers arrived they stated that he was intoxicated and placed him in jail, but Clegg denies that he was drunk and will stand trial on the two charges.

"Track is a better, more manly sport than basketball," Mr. Swain declared, "because it is all in the open and the boys get the advantage of the fresh air. The responsibility is all on the individual. In basketball, a man may loaf and let the other fellows do the work, or he may call time, but in track the responsibility is all on the individual."

He pointed out that teams which had good basketball teams also had good track teams, some schools he mentioned being Kokomo, Vincennes, Frankfort and Bedford.

"Track sports are fine to build up manhood," he added, "and that is the first consideration in high school athletics. Manhood will be of great benefit when material is not as good as it has been in the past."

Ley Rexford of St. Louis, who was appointed receiver for the Carthage factory last fall, spoke for a few minutes, declaring his belief in Rotary and the idea it represents. Mr. Rexford said he was a member of the St. Louis Rotary club but had to resign on account of taking up a new business. He declared that a Rotary club can't help but be beneficial. He also pointed out the obligation of the Rotarian to his club to attend the international conventions, if he found it at all possible.

Thomas W. White of St. Louis, who was attorney for the receiver in the proceedings, said that he was impressed with the spirit of Rotary and the good clean fun that he always found at meetings he had attended.

SUBWAY TRAIN CATCHES FIRE

Twenty Eight Persons, Including 18 Women, Injured in New York

(By United Press)

New York, May 19—Twenty eight persons, including 18 women, were painfully injured and many others were less seriously hurt or overcome by smoke here today when a subway train carrying hundreds of workers, caught fire just south of the Grand Central terminal.

Two of the victims are reported dying in hospitals as result of injuries when they were knocked down and trampled upon by the frantic passengers who smashed doors and windows in their efforts to escape.

Most of the injuries were in the form of fractured arms and legs, lacerations and abrasions of the face and body and internal injuries.

TWO MEN, TWO WOMEN ARRESTED FOR ROBBERY

Held at Benton, Ill., in Investigation of Farmers State Bank at Wadesville, Ind., May 11

FORCE OFFICIALS FROM HOME

Indianapolis, Ind., May 19—With two men and two women already under arrest at Benton, Ill., two more are expected to be taken into custody late today in the investigation of the robbery of the Farmers State bank at Wadesville, Indiana, on May 11, Harry Webster, superintendent of the Protective division of the Indiana Bankers Association, announced this afternoon.

The four under arrest charged with highway robbery are: Loren Commens and his wife Jeanette of West Frankfort, Ill., Charles Clayton of Benton, Ill., and Mary Fishlock, formerly of West Frankfort, Ill.

Webster said that L. P. Cox, cashier of the Wadesville bank, and his wife who were forced to accompany the bandits from their home to the bank, had identified the four suspects held at Benton.

The four were arrested after robbery of a grocery store at Benton. Extradition papers will be filed immediately for their return to Indiana.

COMPLAINT ON ACCOUNT

Thomas W. Chambers has filed suit in Justice Stech's court against O. L. Puckett, the action being for an account and with the demand for \$70. The case will be tried May 21, at 9 o'clock.

YOUTHFUL BANDITS ROB STREET CAR CONDUCTOR

Two Hold up Man in Charge of Passengerless Car in Indianapolis and Steal \$40

ANOTHER PAIR TAKES AUTO

(By United Press)

Indianapolis, Ind., May 19—Four boy bandits today were added to the list of hold-up men hunted by police in an effort to check the wave of robberies in Indianapolis.

Two youths held up Lawrence Myers, street conductor, battered the money box on his car open with a sledge hammer, and got away with \$40.

"They looked like boys," Myers said. "I didn't think about them being stick-up men until they had me covered." There were no passengers on the car.

Two other bandits stole an auto from Rev. G. H. Gebhart as he was putting the car in his garage.

Rev. Gebhart thought neighbors were playing a joke on him until the car had sped away in the darkness.

Police believed that each robbery was committed by a different pair of bandits.

BRIBE CASE NEARING AN END

Jury May Get Case of Former Kansas Governor Late Today

Topeka, Kans., May 19—Indications today were that the case of Jonathan Davis former Kansas governor on trial charged with accepting a bribe, probably would not go to the jury before late today.

Davis underwent a severe cross examination yesterday by state attorneys. Testimony was brought out to show that the former governor at one time went on the witness stand to testify to the good character of Fred Pollman then on trial for perjury. Pollman was one of the men alleged to have received a pardon for which he paid.

Davis' testimony was a complete denial of the testimony of his accusers.

TO MEET AT WINONA

Winona Lake, Ind., May 19—The John Herron Art Institute of Indianapolis will be in session at Winona Lake from June 22 to August 1 this year, according to an announcement made by J. A. MacLean director. Free lectures to the general public will be one of the features of the annual course this year.

GOLD SPELL IS ON THE WANE

Frost Nips Fruit and Vegetables in Corn Belt

Chicago, May 19—Following a frost which nipped fruit and vegetable crops throughout the corn belt, rising temperature is due, the weather bureau announced. Orchard and truck crops in northern Illinois and Michigan received the greatest damage.

From Nebraska to Ohio fruit blossoms were dropping while the tomato, bean and other crops were withering.

C. A. Donnell, forecaster at the weather bureau, reported that warm weather is sliding in rapidly and that the cold spell is on the wane.

SELECTION OF A JURY IS DRAGGING

Three Prospective Jurors Selected Monday in Shepherd Case Dismissed Today

STATE WITNESS DISAPPEARS

Prosecution Dealt Severe Blow When Robert White, Material Witness, Drops Out of Sight

Chicago, Ill., May 19—Selection of a jury to try William D. Shepherd on charge of murdering Billy McClintock, dragged slowly today.

The three prospective jurors temporarily accepted by both sides yesterday were dismissed today. In their seats were three men temporarily accepted by the state.

Attempts to convict Shepherd were dealt a severe blow by the disappearance of one of the state's most important witnesses.

Just as court opened today and the tedious selection of jurors started, Assistant State's Attorney George Gorman announced that Robert White, one of his mainstay witnesses, could not be found. His whereabouts (were unknown at his place of business and investigation disclosed that he had moved his family from their South Side residence.

Squads of detectives were ordered out to hunt the missing witness, Gorman announced.

"If we fail to find Mr. White, our case will be materially weakened," Gorman said. "We will use every power at our command to find him."

White, who was once an employee of the National University of Science, an alleged quack medical school where Shepherd is said to have obtained the typhoid germs with which to inoculate young McClintock, is one of the few persons who was able to identify Shepherd as a caller at the institution.

"Dr. Charles C. Faiman, head of the school, 'confessed' that Shepherd came to him for advice and that he furnished Shepherd with typhoid germs and instructed him how to use them so that Billy would die. He admitted being an accomplice to the alleged murder.

While other witnesses are able to testify that they saw Shepherd and Faiman together, White is the only person able to say that he actually saw Shepherd at the school.

White is the second state's witness to disappear. Several days ago Miss Estelle Gehling, a nurse who was an acquaintance of Shepherd, was reported missing from her apartment and so far has not been located.

NEGRO UNDER HEAVY GUARD

John Thomas Shaw Taken to Martinsville for Murder Trial

Martinsville, Ind., May 19—Under guard of four detectives, John Thomas Shaw, negro, was brought here from Indianapolis today to face a second trial on charges of murdering Mrs. Helen Hager Wheelchel, a white woman.

The trial is expected to take ten days or two weeks. He was convicted in his first trial at Indianapolis and sentenced to death but the state supreme court ordered a new trial. Mrs. Wheelchel was murdered in November, 1923 and Shaw was arrested after her wrist watch, found in a pawn shop on Indiana avenue, had been traced to him.

MISS OLIVE LOGAN WINS DECLAMATION

Victorious in First Annual Mansfield Contest at Graham Annex Auditorium Monday Night

FRANK GREEN, JR., SECOND

Robert E. Mansfield, Sponsor, Presents Cash Prizes at High School This Morning

Miss Olive Logan won the first annual Mansfield Declaration contest at the Graham Annex auditorium Monday night and was awarded the first prize of \$10, which was one of four cash prizes given by Robert E. Mansfield, sponsor of the event which will be held annually, due to his offer to support it financially.

Miss Logan gave "The Other Fellow," by William Hawley Smith. Frank Green, Jr., giving "I Am An American," by Elias Lieberman, was awarded second prize and Miss Kathleen Hobbs, using the same declamation, was third. Edith Clare Walden, who gave "At the Birthplace of Lincoln: A Eulogy," by Woodrow Wilson, was placed fourth. The last three prizes were \$5, \$3 and \$2.

A few hundred people were present for the contest and those who were responsible for the first annual event were gratified that the crowd was much larger than that attending the oratorical contest earlier this spring, indicating interest in such school activities is on the increase.

Mr. Mansfield presented the prizes to the winners at the high school assembly this morning and made a splendid talk regarding the results of the first contest, impressing upon the pupils the value of such an enterprise.

Miss Dorothy Hamrick, head of the high school English department, presided at the contest, making a few introductory remarks and introducing Mr. Mansfield, who made a brief statement regarding the founding of the annual declamation contest.

A vocal solo by Miss Gertrude Snodgrass and two vocal solos by David S. McIntosh, with piano accompaniment by Miss Betty Innis, were given during the evening.

The judges were John Goode, principal of the Arlington school; J. P. Santer, principal of the Milroy school, and B. E. Myers, principal of the Comersville high school. The judges were about ten minutes bringing in a decision.

In introducing Mr. Mansfield, Miss Hamrick complimented him very highly for initiating such a movement in the high school which, she said, would undoubtedly be of great benefit to the high school in the years to come.

"I am indeed gratified to know that so many are participating in this first annual contest," Mr. Mansfield said. "It is particularly pleasing to me to see this fine response and I know that it must be equally pleasing to the parents and friends of these young people."

Mr. Mansfield said that he did not want all of the credit for the contest, but that he was discussing the matter of school activities with H. B. Allman, superintendent of schools and Supt. Allman suggested this Continued on Page Six

STEPHENSON SUIT DISMISSED

Judge Acts on Complaint to Collect For Burning of Yacht

(By United Press)

Indianapolis, Ind., May 19—Judge Baltzell in federal court today dismissed the \$125,000 damage suit of D. C. Stephenson against H. W. Evans, former imperial wizard of the Ku Klux Klan.

The suit was dismissed after attorneys for Stephenson failed to appear when the case was called for trial.

Stephenson, a former grand dragon of the Indiana klan, sought damages against Evans for the burning of his yacht at Toledo, O., last summer.

Stephenson and his two aids, Earl Klensch and Earl Gentry, are in jail awaiting trial on June 2 for murder in connection with the death of Miss Madge Oberholzer.

SAVED FRIEND FROM HOSPITAL

So Mrs. Heckman Decided To Try Lydia E. Pinkham's Vegetable Compound—Note Results—

Council Bluffs, Iowa.—"I had pains in my back and sides and headaches, so that I could not do my work. Once in a while I would be sick a week. A friend told me that Lydia E. Pinkham's Vegetable Compound had kept her out of the hospital, so I thought I would try it, as I had tried a number of other medicines. Now I feel like a different person and am telling my friends about the Vegetable Compound helping me, hoping they will let it help them, too."—Mrs. ETHEL HECKMAN, Box 21, R.F.D. No. 1, Council Bluffs, Iowa.

Saved From An Operation
Monessen, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for a serious case of female trouble. The worst pain I had was in my right side and back with swelling in my side so that I was unable to walk at one time. I was ordered to go to the hospital but here I am, still without an operation. I saw your advertisement and have taken the Vegetable Compound with splendid results. I recommend it freely and will answer any letters from women asking about my case."—Mrs. J. NELSON, 842 Donner Ave., Monessen, Pa.

HOLDING COMPANY BOON TO UTILITY

Martin J. Insull, President of Middle West Utilities Co., Speaks to I. U. Classes

PRaises Holding Companies

To Them is Largely Due Development of Electric Light and Power Business

(By United Press)

Bloomington, Ind., May 19—The so-called "holding company" is a boon alike to the utility industry and the general public in Indiana as elsewhere, according to Martin J. Insull, of Chicago, president of the Middle West Utilities company, of Chicago.

Insull made this statement the keynote of his address today to the classes of the School of Commerce and Finance at Indiana University. His address was one of a series of addresses given during the semester by prominent utility heads.

He is interested in the Interstate Public Service company, the Northern Indiana Gas and Electric Co., the Galumet Gas and Electric company, the Northern Indiana Power company, the Central Indiana Power company and the Indiana Service corporation in Indiana in numerous utilities in adjoining states.

"The function of the holding company," Insull said, "is far better expressed in the term 'investment company.' The holding company, or investment company, raises money on its own securities to invest in the junior securities of operating companies.

"To the investment company is largely due the credit for the great development of the electric light and power business in the last fifteen years. It has been the means of financing operating companies which are bringing to the smaller towns, hamlets and rural districts the same class of twenty-four hour service that is supplied in the larger cities.

"The risk of the investment company is so spread that it can afford to help carry some of its operating companies through times of bad business which they as individual units might find hard to go through. This condition was particularly demonstrated during the war.

"It probably was quite a factor in the good record of the electric industry in going through the period with practically no failures.

"Such a company can only be a help to the industry and the communities it serves. The investment company's interest and the public's are the same in making the credit standing of the operating companies strong.

"In the last analysis the interest of the investor, the operator, the public and the regulatory body is a common interest.

"All are striving for the best possible service at a rate that will insure credit for the operating company so that it may finance needed extensions and betterments for service."

Insull's address was the last of the series for this semester.

AMUSEMENTS

Diana Miller Starring

One of the most imposing casts to be gathered together in one photograph will be seen here soon when "Flames of Desire" the William Fox screen version of Ouida's celebrated novel "Strathmore" opens at the Castle theatre.

Topping the cast is beautiful Diana Miller, most promising screen vampire to be developed in a number of years. She has the role of Marion Vavasour, heartless vampire, for whom men commit all sorts of crimes, even to self-destruction. Miss Miller's interpretation of this courtesan is said to be without a flaw and one that will stand out in the memory of motion picture fans.

Playing opposite Miss Miller in the role of Daniel Strathmore, the American diplomat who falls under the spell of Marion, is Wyndham Standing, popular leading man in many screen stories. His work in "Flames of Desire" is also said to be of high calibre and more than one critics has hailed his acting in the heavy emotional scenes called for by the script as his best work in some time.

"Three Women," Princess

"Three Women," now being shown at the Princess theatre, shows how good a picture can be when made under the supervision of a faultless director. Ernst Lubitch, director of "The Marriage Circle," has done his

usual excellent work in the production of a picture that everyone should see.

He has chosen an exceptional cast to work with, a cast worthy of a great director, and an unusual plot. May McAvoy, Marie Prevost, and Pauline Frederick share the tri-stellar honors. Lew Cody, Mary Carr, Willard Louis and Pierre Gendron are some of the other brilliant players.

May McAvoy, as the wife of a fickle husband, plays her part in charming sincerity, while Pauline Frederick, who takes the role as her mother and former sweetheart to her husband, seems to have been made for the part. Marie Prevost, as still another sweetheart, is the perfect vampire type. The plot has unusual complications, which all wind up to a very dramatic climax.

The settings in the picture are exceedingly artistic, but have a simplicity in their very massiveness. They are typically "Lubitch."

Di-Jo Relieves Indigestion

There is no doubt that many people suffer needlessly from indigestion and stomach trouble. If they only knew the relief that can be secured through Di-Jo Tablets this number would be much less.

Most cases of indigestion arise from overeating, eating too fast or eating the wrong kind of food. In all such cases a few Di-Jo Tablets after each meal will give almost instant relief to that heavy, bloated feeling, belching or sour stomach.

The simple drugs used in the preparation of Di-Jo are intended for just such relief and are the same as prescribed by family physicians for years. They are packed in convenient form for your use.

Try Di-Jo Tablets and you will be surprised at the quick results. All druggists sell and recommend them.

If you are troubled with constipation take DI-VAC. It is sold by all druggists, and is recommended as the proper laxative to be used in connection with Di-Jo, if any is needed.

Bible Thought
—FOR TODAY—
Bible thoughts memorized will prove a priceless heritage in after years.

Begin Right in Youth:—Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them. Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. Ecclesiastes 12:1, 13.

Prayer:—Dear Lord, Thou hast said, "Suffer little children to come unto me and forbid them not, for of such is the Kingdom of Heaven. Make us all Thine own little children, and then it shall be our joy to do Thy will daily."

The Declamation Contest

The first annual Mansfield Declamation contest in the Rushville high school brought out twelve contestants and the interest which was aroused among the high school students and patrons of the high school indicates that the results obtained were worth all of the effort required.

The people of Rushville will sanction the endeavor that is being made by school authorities and others interested in the public schools to diversify the school activities and put a premium on scholarship as well as athletic ability.

There is occasional complaint that athletics are stressed too much for the welfare of the high school students, but this criticism scarcely seems warranted.

It is but natural for the enthusiasm of youth to grasp more readily the contest in which there is action and which requires brawn and muscle, as well as quick thinking.

Contests have been, in recent years, and are being devised to place a premium on scholarly attainments and to awaken in high school students a desire to achieve popular approval through other channels than athletics.

There is no reason why basketball, track, football or baseball should not be continued on the same scale that it is, any more than there would be reason for frowning on scholastic contests. Both are essential in the development of boys and girls and to give more time and attention to one, at the expense of the other, would be to produce one-sided young men and women.

In late years we have seen the high school oratorical contest, the Latin contest, the music memory contest and the commercial contest come into being. Now is added the declamation contest, which fits more readily in the high school scheme than any one of these, because it does not restrict competition to any one branch, class or division of the high school.

The declamation contest is, specially well adapted for high school pupils, because it centers solely on the art of speaking and the elements of composition that figure in the oratorical contest, do not enter. All of these things serve to build up a high school tradition that will be of immense benefit to the school.

THIS NIGHT

may convince you
Sallow skin is more than skin deep. For that tired, worn-out, listless feeling, keep your stomach, liver and bowels free from indigestion, biliousness and constipation.

Chamberlain's Tablets

will keep you clean inside. Take two tonight. They will not make you sick and you will feel good tomorrow. 50 for 25 cents.

Sold everywhere

Rushville high school has some traditions already and they are not all athletic. There was a time when R. H. S. was a member of a declamation league, which held annual contests, but it was allowed to lag, and when interest waned, it was discontinued. The Fifteen Years Ago column of the Daily Republican lately has recalled one of these events, which was won by Rushville. In those days, school patrons supported such enterprises and every year a large crowd of rooters accompanied Rushville's representative to the contest.

The Mansfield Declamation contest should arouse enthusiasm in this branch of high school activity as of old and revive the spirit that once attended such competition. Support of the people of Rushville should be given as freely as it is to basketball, because perfection in speaking is just as essential to the welfare of young people as the development of strong bodies.

The high school on several occasions has shown its appreciation of Robert E. Mansfield in offering to sponsor the contest annually with cash prizes. The people of Rushville have the same sense of appreciation though they may not express it with the same vigor and enthusiasm as is displayed by vigorous boys and girls. They can be of service, however, in lending encouragement to such high school activity and giving it their heartiest support.

Reducing Income Taxes

Federal income taxes have become a permanent source of public revenue. Different states have undertaken to collect a secondary income tax for purposes of state revenue. The effect is to drive capital into hiding and discourage investments subject to surtaxes.

In Wisconsin, there is an agitation to repeal the state income tax. It has prevented new industries coming into the state and driven old industries to other states where they are not subject to a state income tax.

In the United States as a whole a falling off in taxable amounts of individual as well as corporate incomes has been largely due to investments in non-taxable securities. Measures have been before Congress to correct the tax-exempt income evil but so far all action has been delayed while a constantly increasing tax load is put on taxable property and incomes.

Good Advice

President-Elect Hindenburg says to Germany: "Get to work!" Finance Minister Caillaux says to France: "Cut expenses to the bone!" Both see that their nations' need to forget the luxury of hate and waste, and think only of the vital necessity of industrial regeneration. The advice of these two Europeans is as valuable here in the United States; it is exactly what President Coolidge has emphasized from the first day of his presidency.

From The Provinces

He's Such an Unselfish Patriot

(Toledo Blade)
Senator LaFollette, the man who always saves the country in time of peace, has come to the rescue of the nation again. He is offering his voice as a nucleus for another third party.

Stuff Dreams are Made Of

(Boston Globe)
A \$300,000,000 reduction in the Federal income tax in 1926 is predicted by Congressman Madden, Chairman of the House Appropriations Committee. It's a pleasant prediction, anyway.

It's Great to be Crazy!

(Detroit News)
We have just voted ourselves an increase in rates for reading humorous poems by Congressmen, the new scale being \$10,000 a year.

More Proof World's Getting Better

(Chicago News)
This country imported nearly \$23,000,000 worth of bananas last year, and threw comparatively few of the skins on the sidewalk.

(Cleveland Times Commercial)
We admire Secretary Jardine's ability to shear sheep all the more because he didn't learn the trick in Wall Street.

Obviously "Sally" Isn't That Smart

(Detroit Free Press)
An Angora cat in Wisconsin traveled 75 miles to rejoin its former owners, and get back to the old home alley.

Don't Get 'Em Less You Work

(Pittsburgh Gazette Times)
The closing of more mines reinforces again the principle that high wages are of no value without a job.

Stewart's Washington Letter

BY CHARLES P. STEWART
NEA Service Writer

WASHINGTON — Secretary of Labor Davis is going to urge Congress strongly, when it meets next, to put Canada and Latin America on a quota immigration basis. Canada, which is pretty independent, may not care. Latin America is very sensitive.

Except of Mexicans, the number of Latin American immigrants into the United States is negligible. Secretary Davis admits it. He agrees that South Americans would be practically excluded on the quota basis, because next to none of them are here now to base the basis on.

But more may come later, he argues. Not for quite awhile. South America, not a tenth as thickly settled as the United States, offers inducements to good immigrants to come her way.

SOUTH AMERICA'S living standard is lower than North America's, insists Secretary Davis. So it is, because the bulk of South America's lower class won't work for a higher standard. They can get along with their standard in their climate. Here they couldn't—except at Miami Beach perhaps. They're going to stay where they can be pretty comfortable with as little effort as possible.

Inducible aliens are being smuggled constantly across the Canadian and Mexican borders, points out Secretary Davis. That's illegal anyway. Putting Canada and Mexico on a quota basis won't make it any more so.

NET conclusion. The quota basis for South America will have no effect except to of-

fend South Americans, who are very doubtful already whether or not to like us. They were flattered at having an exception made in their favor under the present law.

INCREDIBLE as it may seem, the American Humane Association, in launching a campaign against the cropping of dogs' ears and shortening of their tails, isn't asking a law on the subject. The association doesn't believe the average pet dog owner would mutilate him or prefers him mutilated. It surmises that the mutilating is done before his final owner gets the dog, by the breeder, under the impression that it makes his dog more saleable, and that the buyer takes him that way because

that's the way he finds him. The association's appeal, then, is to dog lovers not to accept cropped and chopped dogs.

It doesn't want to waste time fighting for legislation, even if it considered that the right way to go about it. If it can make cropping and chopping unfashionable, it thinks it will have accomplished more than any law could.

EVER since President Coolidge sat in a box at a recent ball game with an American flag draped in front of it, a movement has been gaining ground to get a law through the next Congress specifying just how, where and when the Stars and Stripes may be displayed.

Many Americans like to do this from their homes and places of business on patriotic occasions. They'll have to be careful about this if the flag law is passed. Any little technical mistake and they'll land in jail.

FIFTEEN YEARS AGO TODAY

From Daily Republican
Thursday, May 19, 1910

Tom Geraghty, John Geraghty and Mr. and Mrs. James Cauley, who were married yesterday at Osgood, spent the day at the country home of Mr. and Mrs. Ed Mullins near Sexton.

Sam Shuck, who has been employed in New Castle, and who has been spending a few days with home folks, left today at noon for Denver, Colo., to accept a position.

Drs. F. M. Sparks, E. F. VanOsdol and P. H. Chadwick went to Indianapolis this morning to attend the annual meeting of the Indiana State Dental association.

Mr. and Mrs. Alva Kirkpatrick of Columbus, Jesse Kirkpatrick of Rushville, Mr. and Mrs. Eliza Billings and George Billings and family were guests of Will Smith and family Sunday. (Union township.)

Mr. and Mrs. Charley Newhouse and Mr. and Mrs. John Mauzy and son Clifford were the guests of Mr. and Mrs. Elwood Kirkwood Sunday. (Mauzy correspondent.)

Mr. and Mrs. Clarence Darnell and Mr. and Mrs. L. B. Weaver were the guests of Mr. and Mrs. John E. Ellerman Sunday. (R. R. No. 3)

Mr. and Mrs. Rolla Clingman of near Homer were the guests of Darius Edmondson and wife Sabbath. (Center correspondent)

Connersville Examiner: Messrs A. H. Rieman, Richard Elliott, Minor Leffingwell and Grundy Veach were in Rushville last evening to witness the conferring of the M. M. degree on Rev. W. H. Clark.

Mrs. J. E. Humes is spending a few days with Dr. and Mrs. R. H. Elliott in Connersville.

Harvey L. Cowing spent yesterday and last evening in Indianapolis. Mrs. Lew Onie entertained a number of ladies at her home in North Morgan street today with a luncheon honoring Mrs. McCarty of Brookville.

Miss Eva Billings entertained a few of her friends at her home in North Willow street last night with a comet party. A three course supper was served.

One of the most enjoyable affairs incident to commencement week events was the Junior reception to the Senior class, held at the home of Miss Frances Frazee, daughter of Mr. and Mrs. John P. Frazee, in North Main street last evening.

At six o'clock last night the horse belonging to Morton Hinchman of Union township, which was stolen from the O. P. C. H. hitch rack Monday night, was munching its grain in John Hiner's livery barn, while the owner was down in Kentucky searching for his stolen property. The horse and buggy were found tied at a rack in Connersville.

It matters little how much you hear, but it matters a great deal how much you believe.

Everything lovely today, Coolidge, president, is planning an auto trip and Babe Ruth is better.

But they forget to prohibit saxophones during music week.

Dempsey may fight in Europe. Gibbons and Tunney believe they can whip anyone in the United States.

These in autos consider themselves above pedestrians. Which is why they sometimes are.

Substitutes are being found for everything except money.

"Good-bye is heaven," says a Boston clubwoman. And, we add, a bad one is just the opposite.

English cow gave 27 tons of milk in seven years, while our cows don't have to work so hard.

Detroit man bought his marriage license on credit. He never will finish the payments.

A success is one who overcomes environment. Mufford (Pa.) prisoner was caught bootlegging in jail.

London men are wearing pink trousers. We hope they slip and sit right down in the mud.

St. Louis society girl not only claims she jilted a count, but she really can prove she did.

Two former stage hands own a play in New York. We always thought the ushers owned the play. (Copyright, 1925, NEA Service, Inc.)

The Hodge-Podge

By a Paragrapher with a Soul

The thing that counts with most men is the number of times they punch the cash register i na day.

It is a common human error to overestimate your importance before you have any.

The only way to get better government is to put better men in office.

There is some complaint about the poor penmanship of young people, but father is always able to read the figures when he hears from the boy in college.

There are some folks who need an ear trumpet when opportunity knocks.

Chickens once came home to roost, but not so many return at nights nowadays. Some are too slow in crossing the road.

Only Senate Is in the Way

(Des Moines Register)
Apparently Mr. Dawes is not going to be satisfied until those Senate rules are revised.

Their Rules are "Iron Clad" Eh?

(Philadelphia Record)
The older Senators call Dawes' speeches on the rules "brass" attacks.

SAFETY SAM

Probably it's just as well that a lot of these junk machines get busted up at rail crossin's, but it sure is a shame so much perfectly good gasoline gets spilled!

Trained Animal Circus
To Be in Rushville June 1

For the first time in the history of wild animal training zebras and zebras are said to have been taught to perform tricks and obey the will of their trainer. Some fine specimens of these animals are with Christy Bros., trained wild animal show, which will exhibit in Rushville on Monday, June 1.

For natural born stubbornness, general clumsiness and total lack of finer feelings, the zebra in many degrees removed from his distant relative, the American mule, and no more odious comparison to the detriment of the wild ass of Asia could be made. The striped equine has always been the stumbling block in the paths of educators and trainers of beasts and animals. Many of them after herculean and patient endeavor, have given up in disgust and consigned the convict-coated animal to a remote and disagreeable locality, acknowledging that he was beyond all human understanding.

Christy Bros., trainers for many years concurred in this belief, but heroic perseverance was finally and justly rewarded. These circus kings now have with their great show zebras that give performances which include everything done by the best trick horses, it is said. Drill and intricate maneuvers are accomplished with precision and correctness. The animals waltz, two step and curvet in perfect time with music of the band; they eat at table, feign death, play clown and perform other numerous and incredible tricks. And to further demonstrate the complete control that is exercised over them, the zebras are harnessed and driven in the street parade, it is declared.

Interesting in this connection is the appearance and presentation at the same time of several zebras, or equine hybrids, the only ones of their kind, produced by scientific crossing of full-blooded zebras and Kentucky thoroughbred horses.

Eczema

Oh! The joy of a peaceful, restful night. What a wonderful "up and going" feeling follows such a night of undisturbed slumber.

Oh! What tortures—what agony—what despair—goes with the nights where eczema and other skin diseases hold power and drive away rest and peaceful slumber. For under the cover of darkness like crafty beings of the underworld these eruptions work their most serious havoc.

S.S.S. is the established conqueror of these annoying skin diseases. S.S.S. drives these ever disturbing elements from your system—elements that carry in their wake—lack of energy—undermining health! You may try in vain to get rid of them by using salves, lotions, washes, all to no purpose. You can't do it that way—the seat of the trouble lies deeper—impure blood trying to throw off poisons through the tender skin.

S.S.S. purifies the blood. It aids Nature in creating new red-blood-cells by the million! Blood-cells that send new rich blood coursing through your system. Red blood that drives away eczema—drives away pimples, blackheads, boils and rheumatism, too. An increase in red-blood-cells means added strength, added vitality and renewed vigor. Because the medicinal ingredients of S.S.S. are purely vegetable, it may be taken with perfect safety. Start taking S.S.S. today and watch it rout that annoying, skin destroying, health undermining army that holds your system in its grasp! Learn again what it means to enjoy peaceful, restful nights of slumber.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

S.S.S. The World's Best Blood Medicine

27 Million Families; 17 Million Automobiles—in the U. S. A.

THE Standard Oil Company (Indiana) is one of the outstanding successes of American industry.

It interprets success not from the balance sheet alone, but from the achievement of its ideal to produce gasoline and oil in sufficient quantities to meet all demands, and to sell these products at prices all can afford to pay.

Each year the registration of motor-driven vehicles increases, and with each increase comes a tremendous additional demand for gasoline and oil.

It is the business of the Standard Oil Company (Indiana) to meet this ever-increasing demand. To do this its facilities must be kept constantly ahead of current requirements.

The latest figures for 1924 give our national automobile registration as 17,740,236. When it is considered that there are but 27 million families (approximately) in our country, it is easy to see that the family enjoyment of the automobile is nearly universal.

We take great pride in the advance of our automobile industry but the vast expansion of this enormous business would have been impossible without the foresight, initiative, hard work and sound judgment of the oil industry generally, and the Standard Oil Company (Indiana) particularly.

For this universal employment of the automobile, a constantly dependable supply of oils and gasoline at low prices is necessary.

The business of the Standard Oil Company (Indiana) has prospered because it has served the millions—because its service has been honest, sincere, tireless and efficient—and because the basis of this service has been to hold down prices, and to be satisfied with small profits per item sold.

Such service has given impetus to the rapid growth of the automobile industry and this service has been a fundamental contribution to the splendid civilization we see around us today.

RAY COMPTON, Auctioneer. FRED BROWN, Clerk.

ELIMINATION TRIALS ONLY ONE WEEK AWAY

Pilots Entered in 500 Mile Decoration Day Speedway Race Enter Final Training Stretch

MUST MAKE 80 MILES AN HOUR

(By United Press)

Indianapolis, Ind., May 19—With elimination trials for the 500 mile Decoration Day auto races at the Indianapolis motor speedway only a week away pilots entered for the race today started down the stretch of the training period.

The trials for starting position will begin May 26. Only cars making a speed of 80 miles or more an hour will be permitted to enter.

Peter DePaolo clipped off the fastest lap this year as his Duesenberg Special at a speed of nearly 108 miles an hour. His time for the two and one half mile run was 1:22 4-5.

Benny Hill's four wheel drive Miller Special made 106 miles an hour the first time he had his mount on the track.

Pietro Bordino, Italy's sole representative in the race, narrowly escaped injury when his Fiat Special blew a tire on a curve while he was hitting 107 miles an hour. The car missed the concrete retaining wall by inches.

FIGHTS AND FIGHTERS

Buffalo, N. Y.—Joe Lynch, former bantamweight champion of the world, lost a six round decision to Willie Cunningham, Buffalo featherweight. Jack Bernstein, former junior lightweight champion and Harry Cook, negro lightweight, fought a draw.

Boston—Tiger Flowers, Atlanta light heavyweight, won a 10 round decision from Pal Reed, Boston.

Troy, N. Y.—Harry Martone, Jersey City middleweight, knocked out young Fisher, Syracuse, in the tenth round.

New Orleans—Martin Burke, New Orleans heavyweight, won a 15 round decision from Floyd Johnson, New York.

Terre Haute, Ind.—Bud Taylor, Terre Haute bantam outpointed Mike Moran, New York, in a 10 round bout.

Kansas City, Kans.—Young Strubling, Georgia school boy, and Hughie Walker, local heavyweight, are billed here tonight for a ten round bout. The fight will be the second for the pair. Walker will enter the ring about 10 pounds heavier than Strubling. It will be the first big fight under the new Kansas boxing law.

May Win Double Championship

By HENRY L. FARRELL
(United Press Sports Editor)

New York, May 19—Mickey Walker will have a chance to become one of those double-barreled champions when he meets Harry Greb the middleweight champion of the world at the Polo Grounds here on May 29. Walker, who holds the welterweight championship is stepping up a class in meeting Greb, but he will not be giving away too much weight, as he is one of those heavy welters who can fight in either division.

Since Walker made Mike McGuire the world's light heavyweight champion, look so foolish in a bout during the winter in Newark, a good many of the railbirds think that he is almost sure to beat Greb and win another title. The showing that Walker made against McGuire is a light heavyweight in name only as he is a legitimate middleweight and does not weigh much more than Greb.

McGuire's style and general class is so far different from Greb's that there is no comparison. McGuire is

one of those waiting fighters who likes to have the other fellow lead to him. Greb is a plunger who makes it so hot for the other fellow that he can't do any leading.

Walker, beyond all doubt, is a great little fighter. He is one of the best champions of the day, considering the real domination that he has established over his class. But perhaps he is not as good as his admirers think.

Gene Tunney, American light-heavyweight champion, who has outpointed Greb several times, said recently that there was only one way to beat him. "Take the steam out of him with body punches," he said. "If you don't, he'll throw so many thumbs, wrists, elbows, shoulders and fists at you that you'll never get started. He's too quick to get caught with a crack on the jaw."

Walker, who has patterned his style much after Dempsey's, is a heavy body puncher. Jack Britton, the former welterweight champion, said that Walker hurt him more than he had ever been hurt before when he was winning the championship from him.

SPORT CHATTER

Chicago—Stanislaus Zbyszko, veteran Polish mat man, is to meet Ivan Zaiken, Russian heavyweight, in the main event of a show here tomorrow night.

Chicago—College and University men will settle the championship of the courts at the University of Chicago annual tennis tournament. A strong field of western stars is interested in the matches which run from Thursday to Saturday.

Chicago—The Illinois A. C., champions of the A. A. U., will be represented by a full team at the annual Finnish America meet to be held here May 31, club officials announced.

Columbus, O.—Phil Goldstein, Ohio State University flyweight, won eight out of 12 rounds from Babe Keller of Cleveland. Cliff Binckley and George Kotzanos wrestlers engaged in a boxing bout, Binckley scoring a kyo in the fourth round.

Vincennes—Richard Doser, 14, of Vincennes, was seriously hurt when a vaulting pole broke. One of the pieces punctured his abdomen.

From Ireland

Here we have another boxing champion from across the pond. He's Pop Humphries, bantamweight king of Ireland, a protégé of Ted "Kid" Lewis former welter titleholder. Humphries is now in this country training for his bout with Charley (Phil) Rosenberg.

KEEPING ONE EYE ON THE SCORE BOARD

Yesterday's Hero: Bill Terry, Giant crippled first baseman, broke a tie with a homer with one on base and helped the Cubs, 5 to 2. It was the eighth victory in a row for the Giants.

The Cincinnati Reds lost their fifth straight game when they were knocked off by the Braves 5 to 4. Five hits off Donohue in the sixth inning with two down scored four runs for the Braves.

George Sisler hit safely in his 33rd consecutive game but he couldn't help the Browns enough and they fell before the Red Sox, 12 to 7.

Seven pitchers were kicked all around the field but the Yankees hit harder and beat the Tigers 9 to 7.

Barrett's daring base running ahead of pokes by Kamm and Chalk scored a run that gave the White Sox a 6 to 5 victory over the Athletics in 14 innings. The Sox's victory stopped the A's winning streak of nine straight.

The Cardinals helped the Phils celebrate jubilee day by snatching a 10 to 9 victory in 11 innings.

Two passes in the first inning with the bases filled forced in two runs and helped the Indians beat the Senators 9 to 6.

Seven runs scored on a rally in the fourth inning gave the Robins a 12 to 7 victory over the Pirates.

SETS NEW LAP RECORD

Indianapolis, Ind., May 19—Peter DePaolo, piloting a Duesenberg special, set a new lap record for the Indianapolis motor speedway in practice run today. DePaolo made the circuit of two and one half mile track in one minute and twenty one seconds, making an average of nearly 111 miles an hour.

BOOZE UNDER HENS

Columbus Ind., May 19—Setting hens failed to hide four quarts of alcohol for Elmer Hanson when Sheriff Arbuckle raided his farm. The sheriff saw the bottles sticking through the feathers.

GLENWOOD

The Christian Missionary Society held their monthly meeting Tuesday afternoon at the church.

Miss Helen Culbertson of Indianapolis spent the week-end with her mother, Mrs. Myrtle Culbertson.

Miss Pauline Reed of Orange is spending the week with her grandmother, Mrs. Eva Reed.

The Lucky 17 Club meets Wednesday afternoon at the home of Mrs. Dempsey Chaney.

Miss Irene Moser is staying with Mr. and Mrs. Martin Wright.

G. B. Carr has resumed his duties at the postoffice after a two weeks illness.

Herman Hinchman of Indianapolis spent the week-end with relatives and friends.

Mr. and Mrs. Otto Cameron of Connersville visited with Mr. and Mrs. Thomas Jones Sunday afternoon.

The Ladies Aid Society of the M. E. church meets Thursday afternoon at the home of Mrs. Lewis DeHaven.

Mrs. G. B. Carr is improving after an illness with indigestion.

Mr. and Mrs. J. E. Holmes, the Misses Helen and Francis Richardson and Mrs. E. S. Wilson witnessed the "Womanless Wedding" at the school auditorium at Connersville Monday evening.

Mrs. Grace Stout and children of Arlington will move this week into the William Backett property.

Mr. and Mrs. Glen Swift and daughter of Lewisville, Ind., spent Sunday with Mrs. Edie Davidson and family.

Mr. and Mrs. Herman Moore and family of Falmouth and Mr. and Mrs. Martin Wright spent Sunday

After your Generals have run 10,000 miles

After your Generals have run 10,000 miles it will pay you to drive to the store and let us look them over. Big mileage puts nicks and other injuries in tires and by giving attention to these spots we can often add many months of service to the further mileage that is left in the tires. Even when you trade in your car each year the extra mileage in General Cords is not lost to you, because tires in good condition add that much more to the trade-in value of your car.

THOROUGHBREDS

Your automobile engine performs a wonderful service for you every day. It is a marvel of modern mechanical efficiency—a thoroughbred in its world. And just as much as a thoroughbred race horse, it needs constant attention to keep it in the best of condition. Hardly any motor gets constant attention but it should at least have a thorough examination at regular intervals.

The Sons of Veterans Auxiliary will hold their regular meeting Thursday afternoon at two o'clock in the G. A. R. room of the court house.

The 4-H Girl's Sewing club of Jackson township has postponed its meeting to have been held Friday afternoon of this week until Friday afternoon, June 5.

The Industrial Club will be entertained with an all day meeting and pitch-in dinner Wednesday at the home of Mrs. Eva Offutt in East Sixth street. All the members are urged to attend.

The Music Study Club will meet at the home of Mrs. Walter E. Smith Wednesday evening at 7:30 o'clock. At this time each member may bring two guests and are also requested to bring their federation dues.

Mr. and Mrs. William Bainbridge entertained Sunday with a dinner party at their home in East Third street. Their guests included Mr. and Mrs. Jesse Baldwin and Mr. and Mrs. Luther Shirley and son Billy of Irvington, Ind.

The Missionary Society of the First United Presbyterian church will meet in the church parlors Wednesday afternoon at 2:15 o'clock. All the members are asked to be present as business of importance will be before the society.

Miss Mary Siebel entertained with a pre-nuptial party Saturday evening at her home in Cincinnati, Ohio, honoring Miss LaVaughn Schell of Glenwood, a sorority sister, whose marriage to Stewart Garrison will take place in June.

Mr. and Mrs. Joseph Clark had for the week-end house guests, Mr. and Mrs. George Lambert of Connersville. Mr. and Mrs. Lambert are the parents of Mrs. Clark. Sunday afternoon they attended the annual meeting of the Diapason singers held at the Christian church in this city.

Miss Irene Reardon was hostess Monday evening to the members of the Immaculate Sodality of the St. Mary's Catholic church at her home in West First street. A business session was held and a social hour was enjoyed afterwards. Delicious refreshments of salad, sandwiches and coffee were served.

Mr. and Mrs. W. O. Wright, living north of the city, entertained Sunday with a prettily appointed chicken dinner, the following guests: Miss Laura Maple, Miss Alta Fowl, and Forest Marshall all of this city, Miss Margaret Warfield of Indianapolis, Elvin Fowl of Winona Lake, and Carl Wright of Cincinnati, Ohio. The afternoon was enjoyed with music and games.

Mrs. Howard Dillard and Mrs. Edward Berry are in Indianapolis, representing the Rebekah Lodge of this city, at the forty-first annual Rebekah assembly of Indiana in the I. O. O. F. hall. The assembly opened Monday with approximately two thousand women from every part of the state in attendance. Election of officers and reports of committees will be the principal events at today's session. The assembly will close tomorrow with a visit to the I. O. O. F. home at Greensburg.

The Juniors of the Graham high school have issued invitations to the seniors, members of the faculty and members of the school board for a reception to be given at the Elks Hall Friday evening of this week. The invitations carried out the class colors of green and pink, being concealed in green envelopes and sealed with the pink letter wax. The invitations requested the presence of the guests at the "Green Tavern Inn," but the remainder of the evening's entertainment was not divulged.

The D. A. R.'s will be entertained Thursday afternoon at the home of Mrs. Fred Caldwell in North Morgan street. The assisting hostesses will be Miss Laura Meredith, Mrs. Dora Wilson, Mrs. Hester Harton, Mrs. Coma Gray Mrs. Nellie Titworth and Mrs. Ruby Crist. The program will consist of a violin solo by Mary Louise Wyatt; vocal solo by Miss Florine Gronier; report from the national conference; election of delegates to the state conference; and annual election of officers. Rush County Federated Club News

The American Literary Club was the guest of Mrs. Adeline Dugal the afternoon of May 13th.

Response—A Japanese Custom. Japan and the Japanese—Mrs. Laura Jones.

Our Relations with Japan—Mrs. J. F. Miller.

The Advance Literary Club was entertained the afternoon of May 15th by Mrs. Coma Gray.

Responses—Favorite Author. Our Island Possessions—Mrs. Ruby Butler.

Profitteering—Mrs. Rena Warner. Mrs. Anna Frazee most entertainingly described her recent trip to California which feature served as a worthy close to a very active club year.

Mrs. Gladys Osborn was hostess to the Komenri Club Monday afternoon, May 18th, at which time Mrs. Kate Allen reviewed the Literary Fashions of Today grouping them as follows: South Sea Stories—Slices of American Life—Glad Books—Sex Problem—Biography—Conflict between Generations—Small Town—Business Man—New Woman—Flapper—International Thought—Race Problems—Mystery Stories—And with these general headings Mrs. Allen gave representative examples of each.

Mrs. Bassard reviewed "The Rise of Silas Lapham" by William Dean Howells.

This program concluded the club year and new programs were issued revealing the fact that their next club year will deal with the short story and its place in modern fiction.

When two years ago the County Federation welcomed you as a member there was something entirely modest about your name to us and we wondered for a while if you really meant business but our doubts about you have flown to the four winds. You might style yourselves another year as the "Kamandids."

The Rushville Delphian Chapter met Friday afternoon May 15th on the balcony of the Elks Club, the guest of Mrs. Leila Sexton. Mrs. Will Amos was the leader of the day. Mr. Curt Hester read and reviewed Whittier's "Snowbound." Mrs. Sexton reviewed Emerson's "American Scholar." Mrs. Clara Lambert gave the biography of Poe and of Whitman together with representative works of each. The membership discussed at large: Holmes, Emerson, Whittier, Poe and Whitman.

The society will next meet at the Elks Club, May 29th the guest of Mrs. Harold Pearce, at which time the membership will decide whether or not to divide next year's program to extend over two years, instead of one, for the purpose of more thoroughly covering the ground outlined. The tenth month—first and second program—will be taken in one at this meeting which will close the chapter's club year. A full attendance is much desired.

The Sunshine Club of Washington Township is to have a Mothers Day program with Mrs. Helen Gray Wednesday afternoon of this week as follows:

Responses—Mother Century of Dress in Three Parts:

Our Grandmother—Mrs. Florence Poor.

Our Mother—Mrs. Bertha Eakin.

Our Own—Mrs. Helen Gray.

Song—"Old Grey Bonnet" (in costume)—Mrs. Augusta Clifton.

The Ripley Country Club is to meet May 21st with Mrs. Frank Overman in honor of their mothers. A splendid program is planned.

VACATION

Our club year is either over or so nearly over that our minds have already become relaxed in club thought and they naturally turn to a consideration of a changed activity which is the basis of any vacation. Some "vacate" at home; some go elsewhere to rest but whether they do the one or the other it is the change that every one needs. If we as club women have thrown ourselves into thought and work for the general good of our minds, our communities, our nation and our homes throughout the past year our consciences are in a state to enjoy a change. We shall revel in good books, journeys by train and automobile, visits from ones who can come only at this time of year, the development and receipts of our gardens and self-made surroundings, and secretly, on the first day the club does not meet, we shall sign a relieved little sigh, drop down into our favorite chair, pray that the phone won't ring and revel in the doing of that we have often told ourselves we would be doing it if weren't for club meeting.

Yes—This is the spirit of vacation and tho we shall become restless later on and discontent with doing nothing it is a very sweet experience to recreate for a season and disobey the usual laws which govern the greater part of every year.

MOTOR BUS PARADE AT OPENING OF TERMINAL

Pageant Represents Investment of Nearly \$2,000,000—Terminal Finest of Kind

MAYOR UNLOCKS THE GATES

(By United Press)

Indianapolis, Ind., May 19—A parade of motor busses representing an investment of nearly \$2,000,000 featured the celebration incident to the opening of the new bus terminal at Maryland street and Senate Avenue here today.

Forming at North street the parade moved south on Meridian street to the circle and through downtown streets to the bus terminal.

Along the last few blocks the procession passed through avenues lined with huge white columns covered with flags and flowers.

At the conclusion of the parade the building was formally opened. W. B. Hiner, president of the Red Ball Bus Terminal company, presented Mayor Shank with a large key to unlock the gates leading to the passenger loading platform of the terminal.

Dancing in the streets adjoining the terminal and vaudeville acts were on the program for the evening. The streets will be lighted with a large battery of flood lights.

An old passenger bus, brought from New Orleans, where it was put in operation in 1891, was one of the features of the parade. The bus was filled with passengers dressed in costumes of '91.

The Indianapolis bus terminal is said to be the finest of its kind in the United States.

MISS OLIVE LOGAN WINS DECLAMATION

Continued from Page One

particular activity, which he agreed to sponsor.

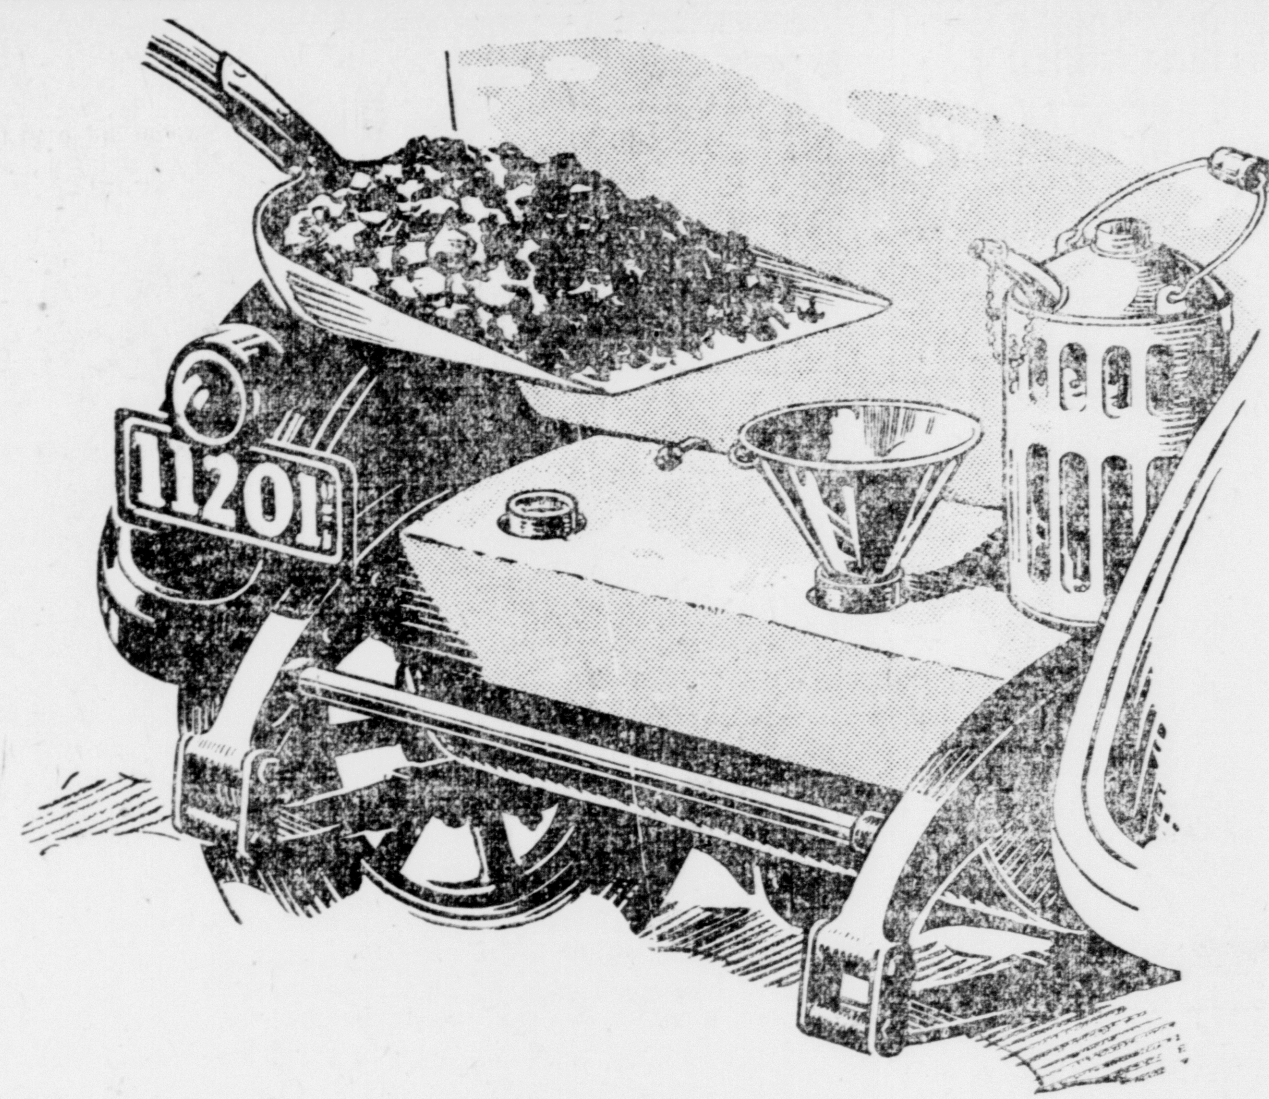

Mr. Mansfield commented on the oratorical contest on the constitution, which has attracted attention all over the country, the music memory contest, Latin contest and other competition in the high school, including basketball, all of which, it was agreed, he said, had been very successful and worthwhile.

"So, I agreed to sponsor a declamation contest," continued Mr. Mansfield, "and to offer a modest prize to encourage competition in such a commendable enterprise. It gives pupils such a wonderful opportunity to develop the use of that great vehicle of expression, the human voice, and if the contestants are better enabled to express themselves, it will be eminently worthwhile."

Mr. Mansfield complimented Miss Hamrick for the special effort she made to coach each contestant and prepare the program, and he said he was particularly pleased with the high school pupils in accepting the proposal with so much enthusiasm, which was typical of the spirit of youth.

"It is a peculiar pleasure to me to be able to sponsor this contest," he declared in closing.

Judge Sparks Hears Evidence in Ellman vs Grubbs Case

Judge Sparks was busy today in the circuit court hearing a case on an account, in which J. C. Ellman and Son are plaintiffs and Ernest J. Grubbs, defendant. The action was requiring considerable time to be presented to the court, and the jury was not used.

In addition to seeking judgment for \$700 on the account, the plaintiffs also were seeking to have a deed set aside.

RECEIVE AIRPLANE MAIL

Mrs. L. L. Ferree living just west of the city, received a letter this morning, sent by airplane from her daughter, Mrs. Sallie Ferree Richardson, living in San Diego, Calif. Airplane mail is very unusual in this county.

ST. LOUIS CAPITAL IS HIGHEST BIDDER

American Paper Products Company
at Carthage Sold to Creditors
Committee of Missouri

CONSIDERATION OF \$250,000

Plant Has Indebtedness of a Million
and Creditors Will Share Less
Than 20 Cents on Dollar

St. Louis capital purchased the American Paper Products company plant at Carthage Monday afternoon, when it was placed on the market to the highest bidder, and brought \$250,000.

The bid was presented by Andrew H. Kaufman of St. Louis, said to be a representative of the bondholders committee of the paper mill, and engineered by Henry Davis, of the firm of Bryan, Williams and Cave of St. Louis, representing the St. Louis Union Trust company, trustee of the mortgage to secure the bonds.

The confirmation of the sale was immediately objected to by the Lagerloef Trading Company of Chicago, and late Monday in court the arguments were presented in the matter, and decided by Judge Sparks, who overruled their objections and confirmed the sale.

The transaction was made immediately and the necessary deed prepared in which the property at Carthage was transferred to the new owners. It was stated today that the prospects for the operation of the concern were not very bright, and it was intimated that a further sale would not doubt be made in the course of time to some concern that will place the factory in operation.

The plant was appraised at \$240,000, and the lone bid submitted Monday afternoon was for \$250,000. Attorneys today were figuring up the claims and indebtedness against the concern, so that payment can be made, and it was intimated that the creditors would share less than 20 cents on the dollar.

The Carthage plant is faced with an indebtedness of one million dollars. Of this amount there is pending on claims in the local court about \$600,000, which includes bank notes and bankable papers, as well as claims by firms, corporations and individuals. The remaining \$400,000 is outstanding bonds secured by the mortgages.

The paper mill, which is among the chief industries of northern Rush county, went into the hands of a receiver in the United States District court of Missouri at St. Louis last fall. The court there appointed Ley Rexford of St. Louis as receiver, and named John A. Tinsworth of this city as an ancillary receiver.

The receivers for the concern operated the plant until all material on hand was used and orders filled, but in recent months the plant has not been in operation.

At one time a plan was under way to perfect a reorganization of the concern, but this plan was abandoned after it was objected to in court, and the sale of the property was then ordered to the highest bidder, which terminated Monday with the sale.

SENTIMENT FOR DEFENDANT

Earl Woodward on Trial for Kidnapping 11-Year-Old Girl

Bennington, Vt., May 19—The state took less than two hours today to present its case against Earl Woodward, accused of kidnapping eleven-year-old Lucille Schattertorn.

Only three witnesses were called to testify against the man who a short time ago was hunted by a posse of two hundred Vermont farmers, under instructions to shoot him on sight.

Lucille, her father and her mother, were on the witness stand. Each told a seemingly perfunctory story of the kidnapping. Sympathy in the court room apparently was overwhelmingly in Woodward's favor when the state rested its case and adjournment was taken until afternoon.

PUMPER STICKS IN A DITCH

Truck Wires Down in Eleventh Street

Pumper 2 from the local fire station had a peculiar accident this morning about 7 o'clock, when it was being "exercised." A front and rear wheel mired in West Eleventh street, near Harrison, when it struck a ditch that had recently been filled in, and the heavy machine went through to the hub. It was necessary to summon aid from a garage, and it required some effort to get the truck back on solid ground, and out of the place where the ditch had been filled. No damage resulted.

Motorists are warned to be careful in driving machines in West Eleventh, because of the ditch work that has been in progress lately in that vicinity.

TRACK MEN GUESTS AT ROTARY MEETING

Three Who Will Represent Red and Black in State Meet Saturday
Guests of Club

VALUE OF TRACK WORK SHOWN

Receiver of Paper Products Plant
and Attorney of St. Louis Address Rotarians

Rushville high school track team winners, who will represent the red and black in the state track meet next Saturday, the high school coach and St. Louis men who were here for the settlement of the receivership of the American Paper Products company, at Carthage were guests at the Rotary club today. Andy Frazer, a Connersville Rotarian, was also present at the meeting.

Arrangements were made for representation of the club at the annual international convention of Rotary at Cleveland, O., June 15 to 19, and indications are that the president and secretary, George J. Griesser and Donald D. Ball, and several other Rotarians will attend.

Franklin Miller, who will be the Rushville entry in the shotput and high hurdles; Melvin Farthing, who will try for a place in the high jump, and Robert Newbold, who will represent R. H. S. in the pole vault, were introduced to the club by Eugene B. Butler, high school principal, and each given vigorous applause.

John M. Swain, high school athletic director, also was introduced and made a plea for more support of the track and field sport. If it were as good as basketball, he asserted, Rushville could win the state meet.

"Track is a better, more manly sport than basketball," Mr. Swain declared, "because it is all in the open and the boys get the advantage of the fresh air. The responsibility is all on the individual in basketball, a man may loaf and let the other fellows do the work, or he may call time, but in track the responsibility is all on the individual."

He pointed out that teams which had good basketball teams also had good track teams, some schools he mentioned being Kokomo, Vincennes, Frankfort and Bedford.

"Track sports are fine to build up manhood," he added, "and that is the first consideration in high school athletics. Manhood will be of great benefit when material is not as good as it has been in the past."

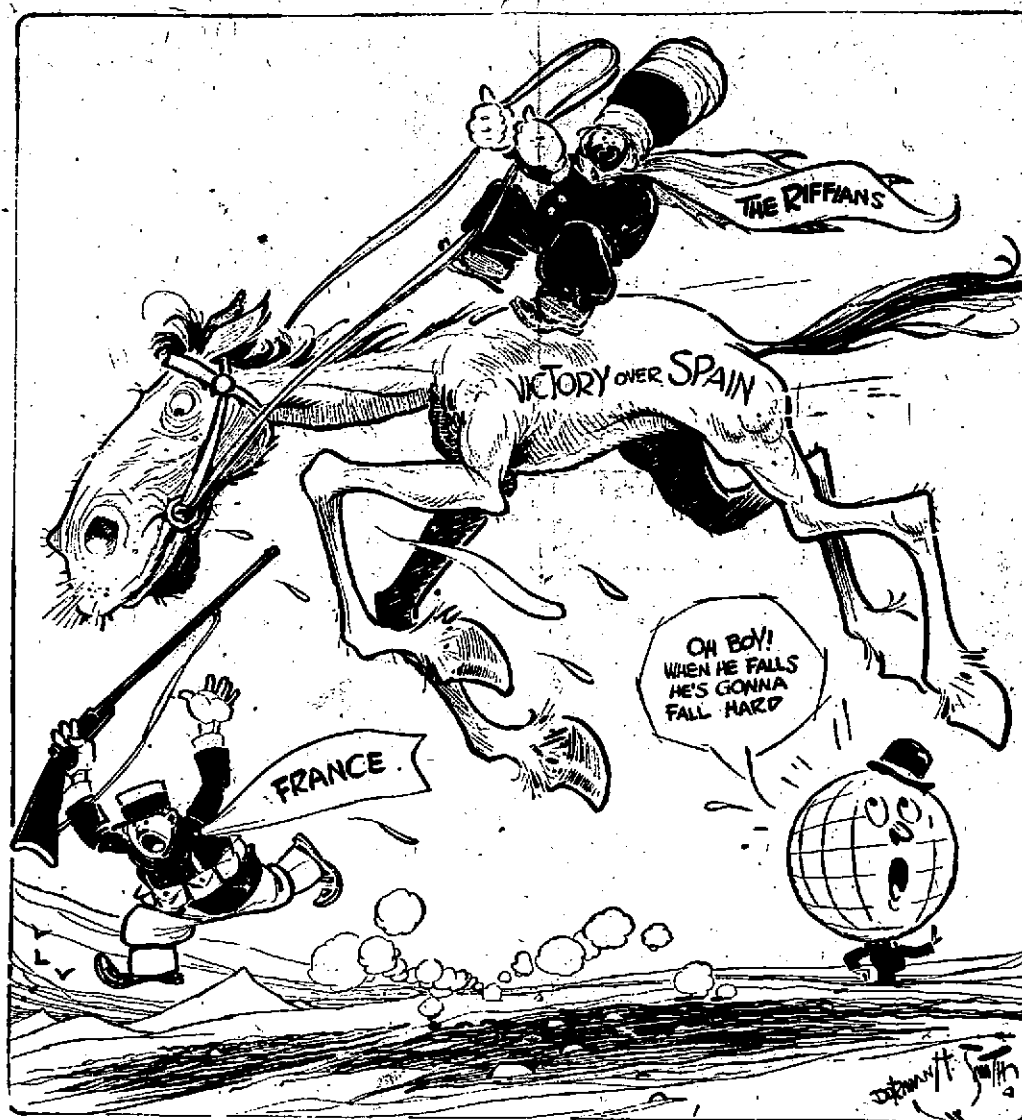

Ley Rexford of St. Louis, who was appointed receiver for the Carthage factory last fall, spoke for a few minutes, declaring his belief in Rotary and the idea it represents. Mr. Rexford said he was a member of the St. Louis Rotary club but had to resign on account of taking up a new business. He declared that a Rotary club can't help but be beneficial. He also pointed out the obligation of the Rotarian to his club to attend the international conventions, if he found it at all possible.

Thomas W. White of St. Louis, who was attorney for the receiver in the proceedings, said that he was impressed with the spirit of Rotary and the good clean fun that he always found at meetings he had attended.

"No institution is as varied," he said. "Even Heintz's fifty-seven varieties are not compared with the"

RIDING HIS HIGH HORSE

FOR OPERATING A CAR WHILE DRUNK

James Clegg of Carthage is Arrested at Shelbyville and is Released on Bond

CHARGE IN CIRCUIT COURT

James Clegg of Carthage, was released from the Shelby county jail at Shelbyville Monday afternoon, after providing bond for his appearance in the circuit court, where he is charged with operating an automobile while intoxicated.

He also is charged with intoxication in an affidavit filed in Justice Ray's court, and he gave bond of \$50 for his appearance on this charge, after pleading not guilty. The bond in the circuit court was \$200.

He was arrested Sunday morning at Shelbyville, following an automobile accident, when the machine which he was driving smashed into a car driven by Alonzo Rhodes, living north of Shelbyville. According to the officers, the machine of Rhodes was not damaged badly, but the machine that Clegg was driving was bent and broken and damaged so that he could not drive it. When the officers arrived they stated that he was intoxicated and placed him in jail, but Clegg denies that he was drunk and will stand trial on the two charges.

HIGHWAY COMMISSION WINS

Anderson Judge Rules State Body May Condemn Land

Anderson, Ind., May 19—The state highway commission was victorious in the Madison county court when Judge Ellis found for the state in the suit of landowners to halt the rerouting of state road No. 37.

Judge Ellis overruled all objections and decreed the highway commission, has power to condemn land in rerouting the highway.

The decision practically gives the state highway commission the right to build new roads as it wishes.

GARY WOMAN TO BE ELEVATED

Indianapolis, Ind., May 19—Mrs. Clara Evans of Gary, was to become president of the Rebekah assembly of the Odd Fellows lodge of Indiana in the fifty-first annual state assembly held today. Mrs. Laura Smith of Frankfort is retiring president. Mrs. Jesse Robson of Brazil was expected to be elected warden and Mrs. Elizabeth Ehrhardt of Greensburg was to be named vice president.

SUBWAY TRAIN CATCHES FIRE

Twenty Eight Persons, Including 18 Women, Injured in New York

(By United Press)

New York, May 19—Twenty eight persons, including 18 women, were painfully injured and many others were less seriously hurt or overcome by smoke here today when a subway train carrying hundreds of workers, caught fire just south of the Grand Central terminal.

Two of the victims are reported dying in hospitals as result of injuries when they were knocked down and trampled upon by the frantic passengers who smashed doors and windows in their efforts to escape.

Most of the injuries were in the form of fractured arms and legs, lacerations and abrasions of the face and body and internal injuries.

TWO MEN, TWO WOMEN ARRESTED FOR ROBBERY

Held at Benton, Ill., in Investigation of Farmers State Bank at Wadesville, Ind., May 11

FORCE OFFICIALS FROM HOME

Indianapolis, Ind., May 19—With two men and two women already under arrest at Benton, Ill., two more are expected to be taken into custody late today in the investigation of the robbery of the Farmers State bank at Wadesville, Indiana, on May 11, Harry Webster, superintendent of the Protective division of the Indiana Bankers Association, announced this afternoon.

The four under arrest charged with highway robbery are, Loren Commeans and his wife Jeanette of West Frankfort, Ill., Charles Clayton of Benton, Ill., and Mary Fishlock, formerly of West Frankfort, Ill.

Webster said that L. P. Cox, cashier of the Wadesville bank, and his wife were forced to accompany the bandits from their home to the bank, had identified the four suspects held at Benton.

The four were arrested after robbery of a grocery store at Benton. Extradition papers will be filed immediately for their return to Indiana.

COMPLAINT ON ACCOUNT

Thomas W. Chambers has filed suit in Justice Stech's court against O. L. Puckett, the action being for an account and with the demand for \$70. The case will be tried May 21, at 9 o'clock.

YOUTHFUL BANDITS ROB STREET CAR CONDUCTOR

Two Held up Man in Charge of Passengerless Car in Indianapolis and Steal \$40

ANOTHER PAIR TAKES AUTO

(By United Press)

Indianapolis, Ind., May 19—Four boy bandits today were added to the list of hold-up men hunted by police in an effort to check the wave of robberies in Indianapolis.

Two youths held up Lawrence Myers, street conductor, battered the money box on his car open with a sledge hammer, and got away with \$40.

"They looked like boys," Myers said. "I didn't think about them being stick-up men until they had me covered." There were no passengers on the car.

Two other bandits stole an auto from Rev. G. H. Gebhart as he was putting the car in his garage.

Rev. Gebhart thought neighbors were playing a joke on him until the car had sped away in the darkness. Police believed that each robbery was committed by a different pair of bandits.

BRIBE CASE NEARING AN END

Jury May Get Case of Former Kansas Governor Late Today

Topeka, Kans., May 19—Indications today were that the case of Jonathan Davis former Kansas governor on trial charged with accepting a bribe, probably would not go to the jury before late today.

Davis underwent a severe cross examination yesterday by state's attorneys. Testimony was brought out to show that the former governor at one time went on the witness stand to testify to the good character of Fred Pollman then on trial for perjury. Pollman was one of the men alleged to have received a pardon for which he paid.

Davis' testimony was a complete denial of the testimony of his accusers.

TO MEET AT WINONA

Winona Lake, Ind., May 19—The John Herron Art Institute of Indianapolis will be in session at Winona Lake from June 22 to August 1 this year, according to an announcement made by J. A. MacLean director. Free lectures to the general public will be one of the features of the annual course this year.

GOLD SPELL IS ON THE WANE

Frost Nips Fruit and Vegetables in Corn Belt

Chicago, May 19—Following a frost which nipped fruit and vegetable crops throughout the corn belt, rising temperature is due, the weather bureau announced. Orchard and truck crops in northern Illinois and Michigan received the greatest damage.

From Nebraska to Ohio fruit blossoms were dropping while the tomato, bean and other crops were wilting.

C. A. Donnell, forecaster at the weather bureau, reported that warm weather is sliding in rapidly and that the cold spell is on the wane.

SELECTION OF A JURY IS DRAGGING

Three Prospective Jurors Selected Monday in Shepherd Case Dismissed Today

STATE WITNESS DISAPPEARS

Prosecution Dealt Severe Blow When Robert White, Material Witness, Drops Out of Sight

Chicago, Ill., May 19—Selection of a jury to try William D. Shepherd on charge of murdering Billy McClintock, dragged slowly today.

The three prospective jurors temporarily accepted by both sides yesterday were dismissed today. In their seats were three men temporarily accepted by the state.

Attempts to convict Shepherd were dealt a severe blow by the disappearance of one of the state's most important witnesses.

Just as court opened today and the tedious selection of jurors started, Assistant State's Attorney George Gorman announced that Robert White, one of his mainstay witnesses, could not be found. His whereabouts were unknown at his place of business and investigation disclosed that he had moved his family from their South Side residence.

Squads of detectives were ordered out to hunt the missing witness, Gorman announced.

"If we fail to find Mr. White, our case will be materially weakened," Gorman said. "We will use every power at our command to find him."

White, who was once an employee of the National University of Science, an alleged quick medical school where Shepherd is said to have obtained the typhoid germs with which to inoculate young McClintock, is one of the few persons who was able to identify Shepherd as a caller at the institution.

"Dr." Charles C. Faiman, head of the school, "confessed" that Shepherd came to him for advice and that he furnished Shepherd with typhoid germs and instructed him how to use them so that Billy would die. He admitted being an accomplice to the alleged murder.

While other witnesses are able to testify that they saw Shepherd and Faiman together, White is the only person able to say that he actually saw Shepherd at the school.

White is the second state's witness to disappear. Several days ago Miss Estelle Gehling, a nurse who was an acquaintance of Shepherd, was reported missing from her apartment and so far has not been located.

NEGRO UNDER HEAVY GUARD

John Thomas Shaw Taken to Martinsville for Murder Trial

Martinsville, Ind., May 19—Under guard of four detectives, John Thomas Shaw, negro, was brought here from Indianapolis today to face a second trial on charges of murdering Mrs. Helen Hager Wheelchel, a white woman.

The trial is expected to take ten days or two weeks. He was convicted in his first trial at Indianapolis and sentenced to death but the state supreme court ordered a new trial.

Mrs. Wheelchel was murdered in November, 1923 and Shaw was arrested after her wrist watch, found in a pawn shop on Indiana avenue, had been traced to him.

MISS OLIVE LOGAN WINS DECLAMATION

Victorious in First Annual Mansfield Contest at Graham Annex Auditorium Monday Night

FRANK GREEN, JR., SECOND

Robert E. Mansfield, Sponsor, Presents Cash Prizes at High School This Morning

Miss Olive Logan won the first annual Mansfield Declamation contest at the Graham Annex auditorium Monday night and was awarded the first prize of \$10, which was one of four cash prizes given by Robert E. Mansfield, sponsor of the event which will be held annually, due to his offer to support it financially.

Miss Logan gave "The Other Fellow," by William Hawley Smith. Frank Green, Jr., giving "I Am An American," by Elias Lieberman, was awarded second prize and Miss Kathleen Hobbs, using the same declamation, was third. Edith Clara Walden, who gave "At the Birthplace of Lincoln: A Eulogy," by Woodrow Wilson, was placed fourth. The last three prizes were \$5, \$3 and \$2.

A few hundred people were present for the contest and those who were responsible for the first annual event were gratified that the crowd was much larger than that attending the oratorical contest earlier this spring, indicating interest in such school activities is on the increase.

Mr. Mansfield presented the prizes to the winners at the high school assembly this morning and made a splendid talk regarding the results of the first contest, impressing upon the pupils the value of such an enterprise.

Miss Dorothy Hamrick, head of the high school English department, presided at the contest, making a few introductory remarks and introducing Mr. Mansfield, who made a brief statement regarding the founding of the annual declamation contest.

A vocal solo by Miss Gertrude Snodgrass and two vocal solos by David S. McIntosh, with piano accompaniment by Miss Betty Innis, were given during the evening.

The judges were John Goode, principal of the Arlington school; J. P. Sauter, principal of the Millroy school, and B. E. Myers, principal of the Connersville high school. The judges were about ten minutes bringing in a decision.

In introducing Mr. Mansfield, Miss Hamrick complimented him very highly for initiating such a movement in the high school which, she said, would undoubtedly be of great benefit to the high school in the years to come.

"I am indeed gratified to know that so many are participating in this first annual contest," Mr. Mansfield said. "It is particularly pleasing to me to see this fine response and I know that it must be equally pleasing to the parents and friends of these young people."

Mr. Mansfield said that he did not want all of the credit for the contest, but that he was discussing the matter of school activities with H. B. Allman, superintendent of schools and Supt. Allman suggested this

STEPHENSON SUIT DISMISSED

Judge Acts on Complaint to Collect For Burning of Yacht

(By United Press)

Indianapolis, Ind., May 19—Judge Baltzell in federal court today dismissed the \$125,000 damage suit of D. C. Stephenson against H. W. Evans, former imperial wizard of the Ku Klux Klan.

The suit was dismissed after attorneys for Stephenson failed to appear when the case was called for trial.

Stephenson, a former grand dragon of the Indiana Klan, sought damages against Evans for the burning of his yacht at Toledo, O., last summer.

Stephenson and his two aids, Earl Klensch and Earl Gentry, are in jail awaiting trial on June 2 for murder in connection with the death of Miss Madge Oberholtzer.

CROSS WORD PUZZLE

Here's a respite from the run of stickers you've been getting in crossword puzzles. The only places where you may be stumped for a while are the four sides where there are two unkeyed letters together.

HORIZONTAL

1 Warmth. 4 Exclamation of sorrow. 6 To stand still. 9 Wild duck. 11 A couple. 13 Dormant. 15 To vouch. 17 Meadow. 18 To come to the conclusion. 21 Pastry. 22 To tear. 24 Lineage. 25 To curse. 26 Reputation. 28 Plural personal pronoun. 29 Diminishes. 31 Also. 33 Mesh of lace. 34 Aurora. 35 Moist. 36 Part of electrical circuit. 39 Printer's measure. 41 Fabric similar to velvet. 44 Fit. 45 To plug for examination. 47 Before. 48 Nothing. 49 Celestial. 51 A honey provider. 53 Characterized by melody. 55 Swimming. 57 Not restrained. 58 Dark; black. 59 Tardy. 60 Rule. 61 Net.

VERTICAL

1. Entry way. 2 To reach. 3 Golf

Sunday afternoon with Mr. and Mrs. John Jackman, Mrs. Will Tompkins who has been visiting Mrs. John Jackman returned home with them.
Mr. and Mrs. Buel Colter and son Owen were the Sunday dinner guests of Mrs. Laura Ballard.
Mr. and Mrs. P. C. Bentle and daughter and Mr. Booth of Greensburg were the Sunday dinner guests of Mr. and Mrs. John Booth.
Mr. and Mrs. Frank Witters and

son Dickey were the Sunday dinner guests of Mr. and Mrs. William Fleetwood.

Miss Ruby Kitchin, who has been visiting her grandmother, Mrs. Kitchin near Greensburg, returned home Saturday.
Mrs. Stella Barlow, Mrs. Bess Smith and Clarence Brown spent Sunday in Pendleton, the guests of Mr. and Mrs. W. R. Cady.
Mr. and Mrs. John Kephart spent Sunday in Morristown.
Mr. and Mrs. George Reber and family were Sunday dinner guests of Mr. and Mrs. Will Jones.
Mr. and Mrs. Wash Tompkins of Frankfort and George Augustine and Burney of Knightstown were the Sunday guests of Mr. and Mrs. Merritt Thomas.
Kermit Kwoles of Covington, Ky., spent the week-end with Mr. and Mrs. Earle Rose.
Mrs. Elizabeth Ralston spent Saturday with friends in Commersville.
Willard Hood, of Commersville, spent the week-end with Mr. and Mrs. J. C. Hood.

SAVED FRIEND FROM HOSPITAL

So Mrs. Heckman Decided To Try Lydia E. Pinkham's Vegetable Compound—Note Results

Council Bluffs, Iowa.—"I had pains in my back and sides and headaches, so that I could not do my work. Once in a while I would be sick a week. A friend told me that Lydia E. Pinkham's Vegetable Compound had kept her out of the hospital, so I thought I would try it, as I had tried a number of other medicines. Now I feel like a different person and am telling my friends about the Vegetable Compound helping me, hoping they will let it help them, too."—Mrs. ETHEL HECKMAN, Box 21, R.F.D. No. 1, Council Bluffs, Iowa.

Saved From An Operation
Monessen, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for a serious case of female trouble. The worst pain I had was in my right side and back with swelling in my side so that I was unable to walk at one time. I was ordered to go to the hospital but here I am, still without an operation. I saw your advertisement and have taken the Vegetable Compound with splendid results. I recommend it freely and will answer any letters from women asking about my case."—Mrs. J. NELSON, 542 Donner Ave., Monessen, Pa.

HOLDING COMPANY BOON TO UTILITY

Martin J. Insull, President of Middle West Utilities Co., Speaks to I. U. Classes

PRAISES HOLDING COMPANIES

To Them is Largely Due Development of Electric Light and Power Business

(By United Press)

Bloomington, Ind., May 19—The so-called "holding company" is a boon alike to the utility industry and the general public in Indiana as elsewhere, according to Martin J. Insull, of Chicago, president of the Middle West Utilities company, of Chicago.

Insull made this statement, the keynote of his address today to the classes of the School of Commerce and Finance at Indiana University. His address was one of a series of addresses given during the semester by prominent utility heads.

He is interested in the Interstate Public Service company, the Northern Indiana Gas and Electric Co., the Galumet Gas and Electric company, the Northern Indiana Power company, the Central Indiana Power company and the Indiana Service corporation in Indiana in numerous utilities in adjoining states.

"The function of the holding company," Insull said, "is far better expressed in the term 'investment company.' The holding company, or investment company, raises money on its own securities to invest in the junior securities of operating companies.

"To the investment company is largely due the credit for the great development of the electric light and power business in the last fifteen years. It has been the means of financing operating companies which are bringing to the smaller towns, hamlets and rural districts the same class of twenty-four hour service that is supplied in the larger cities.

"The risk of the investment company is so spread that it can afford to help carry some of its operating companies through times of bad business which they as individual units might find hard to go through. This condition was particularly demonstrated during the war.

"It probably was quite a factor in the good record of the electric industry in going through the period with practically no failures.

"Such a company can only be a help to the industry and the communities it serves. The investment company's interest and the public's are the same in making the credit standing of the operating companies strong.

"In the last analysis the interest of the investor, the operator, the public and the regulatory body is a common interest.

"All are striving for the best possible service at a rate that will insure credit for the operating company so that it may finance needed extensions and betterments for service."

Insull's address was the last of the series for this semester.

AMUSEMENTS

Diana Miller Starring

One of the most imposing casts to be gathered together in one photograph will be seen here soon when "Flames of Desire" the William Fox screen version of Ouida's celebrated novel "Strathmore" opens at the Castle theatre.

Topping the cast is beautiful Diana Miller, most promising screen vampire to be developed in a number of years. She has the role of Marion Vavasour, heartless vampire, for whom men commit all sorts of crimes, even to self-destruction. Miss Miller's interpretation of this courtesan is said to be without a flaw and one that will stand out in the memory of motion picture fans.

Playing opposite Miss Miller in the role of Daniel Strathmore, the American diplomat who falls under the spell of Marion, is Wyndham Standing, popular leading man in many screen stories. His work in "Flames of Desire" is also said to be of high calibre and more than one critic has hailed his acting in the heavy emotional scenes called for by the script as his best work in some time.

"Three Women," Princess

"Three Women," now being shown at the Princess theatre, shows how good a picture can be when made under the supervision of a faultless director. Ernst Lubitsch, director of "The Marriage Circle," has done his

GUNN HAYDON

usual excellent work in the production of a picture that everyone should see.

He has chosen an exceptional cast to work with, a cast worthy of a great director, and an unusual plot. May McAvoy, Marie Prevost, and Pauline Frederick share the tri-stellar honors. Lew Cody, Mary Carr, Willard Louis and Pierre Gendron are some of the other brilliant players.

May McAvoy, as the wife of a fickle husband, plays her part in charming sincerity, while Pauline Frederick, who takes the role as her mother and former sweetheart to her husband, seems to have been made for the part. Marie Prevost, as still another sweetheart, is the perfect vampire type. The plot has unusual complications, which all wind up to a very dramatic climax.

The settings in the picture are exceedingly artistic, but have a simplicity in their very massiveness. They are typically "Lubitsch."

Di-Jo Relieves Indigestion

There is no doubt that many people suffer needlessly from indigestion and stomach trouble. If they only knew the relief that can be secured through Di-Jo Tablets, this number would be much less.

Most cases of indigestion arise from overeating, eating too fast or eating the wrong kind of food. In all such cases a few Di-Jo Tablets after each meal will give almost instant relief to that heavy, bloated feeling, belching or sour stomach.

The simple drugs used in the preparation of Di-Jo are intended for just such relief and are the same as prescribed by family physicians for years. They are packed in convenient form for your use.

Try Di-Jo Tablets and you will be surprised at the quick results. All druggists sell and recommend them.

If you are troubled with constipation take DI-VAC. It is sold by all druggists, and is recommended as the proper laxative to be used in connection with Di-Jo, if any is needed.

Bible Thought—FOR TODAY—
Begin Right in Youth—Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them. Let us hear the conclusion of the whole matter; Fear God, and keep his commandments: for this is the whole duty of man. Ecclesiastes 12:1, 13.

Prayer:—Dear Lord, Thou hast said, "Suffer little children to come unto me and forbid them not, for of such is the Kingdom of Heaven. Make us all Thine own little children, and then it shall be our joy to do Thy will daily.

The Declamation Contest

The first annual Mansfield Declamation contest in the Rushville high school brought out twelve contestants and the interest which was aroused among the high school students and patrons of the high school indicates that the results obtained were worth all of the effort required.

The people of Rushville will sanction the endeavor that is being made by school authorities and others interested in the public schools to diversify the school activities and put a premium on scholarship as well as athletic ability.

There is occasional complaint that athletics are stressed too much for the welfare of the high school students, but this criticism scarcely seems warranted.

It is but natural for the enthusiasm of youth to grasp more readily the contest in which there is action and which requires brawn and muscle, as well as quick thinking.

Contests have been, in recent years, and are being devised to place a premium on scholarly attainments and to awaken in high school students a desire to achieve popular approval through other channels than athletics.

There is no reason why basketball, track, football or baseball should not be continued on the same scale that it is, any more than there would be reason for frowning on scholastic contests. Both are essential in the development of boys and girls and to give more time and attention to one, at the expense of the other, would be to produce one-sided young men and women.

In late years we have seen the high school oratorical contest, the Latin contest, the music memory contest and the commercial contest come into being. Now is added the declamation contest, which fits more readily in the high school scheme than any one of these, because it does not restrict competition to any one branch, class or division of the high school.

The declamation contest is especially well adapted for high school pupils, because it centers solely on the art of speaking and the elements of composition that figure in the oratorical contest, do not enter.

All of these things serve to build up a high school tradition that will be of immense benefit to the school.

THIS NIGHT

may convince you
Sallow skin is more than skin deep. Forthright, worn out, listless feeling, keep your stomach, liver and bowels free from indigestion, biliousness and constipation.

Chamberlain's Tablets

will keep you clean inside. Take two tonight. They will not make you sick and you will feel good tomorrow. 50 for 25 cents. Sold everywhere.

Rushville high school has some traditions already and they are not all athletic. There was a time when R. H. S. was a member of a declamation league, which held annual contests, but it was allowed to lag, and when interest waned, it was discontinued. The Fifteen Years Ago column of the Daily Republican lately has recalled one of these events, which was won by Rushville. In those days, school patrons supported such enterprises and every year a large crowd of rooters accompanied Rushville's representative to the contest.

The Mansfield Declamation contest should arouse enthusiasm in this branch of high school activity as of old and revive the spirit that once attended such competition. Support of the people of Rushville should be given as freely as it is to basketball, because perfection in speaking is just as essential to the welfare of young people as the development of strong bodies.

The high school on several occasions has shown its appreciation of Robert E. Mansfield in offering to sponsor the contest annually with cash prizes. The people of Rushville have the same sense of appreciation though they may not express it with the same vigor and enthusiasm as is displayed by vigorous boys and girls. They can be of service, however, in lending encouragement to such high school activity and giving it their heartiest support.

Reducing Income Taxes

Federal income taxes have become a permanent source of public revenue. Different states have undertaken to collect a secondary income tax for purposes of state revenue. The effect is to drive capital into hiding and discourage investments subject to surtaxes.

In Wisconsin, there is an agitation to repeal the state income tax. It has prevented new industries coming into the state and driven old industries to other states where they are not subject to a state income tax.

In the United States as a whole a falling off in taxable amounts of individual as well as corporate incomes has been largely due to investments in non-taxable securities. Measures have been before Congress to correct the tax-exempt income evil but so far all action has been delayed while a constantly increasing tax load is put on taxable property and incomes.

Good Advice

President-Elect Hindenburg says to Germany: "Get to work!" Finance Minister Cailaux says to France: "Cut expenses to the bone!" Both see that their nations need to forget the luxury of hate and waste, and think only of the vital necessity of industrial regeneration. The advice of these two Europeans is as valuable here in the United States; it is exactly what President Coolidge has emphasized from the first day of his presidency.

From The Provinces

Don't Get 'Em 'Less You Work
(Pittsburgh Gazette Times)

The closing of more mines reinforces again the principle that high wages are of no value without a job.

Stewart's Washington Letter

BY CHARLES P. STEWART
NEA Service Writer

WASHINGTON — Secretary of Labor Davis is going to urge Congress strongly, when it meets next, to put Canada and Latin America on a quota immigration basis. Canada, which is pretty independent, may not care. Latin America is very sensitive. Except of Mexicans, the number of Latin American immigrants into the United States is negligible.

Secretary Davis admits it. He agrees that South Americans would be practically excluded on the quota basis, because next to none of them are here now to base the basis on.

But more may come later, he argues. Not for quite awhile. South America, not a tenth as thickly settled as the United States, offers inducements to good immigrants to come her way.

SOUTH AMERICA'S living standard is lower than North America's, insists Secretary Davis. So it is, because the bulk of South America's lower class won't work for a higher standard. They can get along with their standard in their climate. Here they couldn't—except at Miami Beach perhaps. They're going to stay where they can be pretty comfortable with a little effort as possible.

Ineligible aliens are being smuggled constantly across the Canadian and Mexican borders, points out Secretary Davis. That's illegal anyway. Putting Canada and Mexico on a quota basis won't make it any more so.

NET conclusion. The quota basis for South America will have no effect except to of-

fer South Americans, who are very doubtful already, whether or not to like us. They were flattered at having an exception made in their favor under the present law.

INCREDIBLE as it may seem, the American Humane Association, in launching a campaign against the cropping of dogs' ears and shortening of their tails, isn't asking a law on the subject. The association doesn't believe the average pet dog owner would mutilate him or prefers him mutilated. It surmises that the mutilating is done before his final owner gets the dog, by the breeder who has the impression that it makes his dogship more saleable, and that the buyer takes him that way because

that's the way he finds him. The association's appeal, then, is to dog lovers not to accept cropped and chopped dogs.

It doesn't want to waste time fighting for legislation, even if it considered that the right way to go about it. If it can make cropping and chopping unfashionable, it thinks it will have accomplished more than any law could.

EVER since President Coolidge sat in a box at a recent ball game with an American flag draped in front of it, a movement has been gaining ground to get a law through the next Congress specifying just how, where and when the Stars and Stripes may be displayed.

Many Americans like to do this from their homes and places of business on patriotic occasions. They'll likely be careful about this if the flag law is passed. Any little technical mistake and they'll land in jail.

FIFTEEN YEARS AGO TODAY

From Daily Republican

Thursday, May 19, 1910

Tom Geraghty, John Geraghty and Mr. and Mrs. James Cauley, who were married yesterday at Osgood, spent the day at the country home of Mr. and Mrs. Ed Mullins near Sexton.

Sam Shuck, who has been employed in New Castle, and who has been spending a few days with home folks, left today at noon for Denver, Colo., to accept a position.

Drs. F. M. Sparks, E. F. VanOsdol and P. H. Chadwick went to Indianapolis this morning to attend the annual meeting of the Indiana State Dental association.

Mr. and Mrs. Alva Kirkpatrick of Columbus, Jesse Kirkpatrick of Rushville, Mr. and Mrs. Eliza Billings and George Billings and family were guests of Will Smith and family Sunday. (Union township.)

Mr. and Mrs. Charley Newhouse and Mr. and Mrs. John Mauzy and son Clifford were the guests of Mr. and Mrs. Elwood Kirkwood Sunday. (Mauzy correspondent.)

Mr. and Mrs. Clarence Darnell and Mr. and Mrs. L. B. Weaver were the guests of Mr. and Mrs. John E. Ellerman Sunday. (R. R. No. 3.)

Mr. and Mrs. Rolla Clingman of near Homer were the guests of Darius Edmondson and wife Sabbath. (Center correspondent.)

Connersville Examiner: Messrs A. H. Riemann, Richard Elliott, Minor Leffingwell and Grundy Veach were in Rushville last evening to witness the conferring of the M. M. degree on Rev. W. H. Clark.

Mrs. J. E. Humes is spending a few days with Dr. and Mrs. R. H. Elliott in Connersville.

Harvey L. Cowing spent yesterday and last evening in Indianapolis. Mrs. Lew Oneal entertained a number of ladies at her home in North Morgan street today with a luncheon honoring Mrs. McCarty of Brookville.

Miss Eva Billings entertained a few of her friends at her home in North Willow street last night with a comet party. A three course supper was served.

One of the most enjoyable affairs incident to commencement week events was the Junior reception to the Senior class, held at the home of Miss Frances Frazee, daughter of Mr. and Mrs. John P. Frazee, in North Main street last evening.

At six o'clock last night the horse belonging to Morton Hinchman of Union township, which was stolen from the O. P. C. H. litch rack Monday night, was munching its grain in John Hiner's livery barn, while the owner was down in Kentucky, searching for his stolen property. The horse and buggy were found tied at a rack in Connersville.

It matters little how much you hear, but it matters a great deal how much you believe.

SAFETY SAM

Probably it's just as well that a lot of these junk machines get busted up at rail crossin's, but it sure is a shame so much perfectly good gasoline gets spilled!

Trained Animal Circus
To Be in Rushville June 1

For the first time in the history of wild animal training zebras and zebras are said to have been taught to perform tricks and obey the will of their trainer. Some fine specimens of these animals are with Christy Bros, trained wild animal show, which will exhibit in Rushville on Monday, June 1.

For natural born stubbornness, general cussedness and total lack of finer feelings, the zebra in many degrees removed from his distant relative, the American mule, and no more odious comparison to the detriment of the wild ass of Asia could be made. The striped equine has always been the stumbling block in the paths of educators and trainers of beasts and animals. Many of them after herculean and patient endeavor, have given up in disgust and consigned the convict-coated animal to a remote and disagreeable locality, acknowledging that he was beyond all human understanding.

Christy Bros, trainers for many years concurred in this belief, but heroic perseverance was finally and justly rewarded. These circus kings now have with their great show zebras that give performances which include everything done by the best trick horses, it is said. Drills and intricate maneuvers are accomplished with precision and correctness. The animals waltz, two step and curvet in perfect time with music of the band; they eat at table, feign death, play clown and perform other numerous and incredible tricks. And to further demonstrate the complete control that is exercised over them, the zebras are harnessed and driven in the street parade, it is declared.

Interesting in this connection is the appearance and presentation at the same time of several zebras, or equine hybrids, the only ones of their kind, produced by scientific crossing of full-blooded zebras and Kentucky thoroughbred horses.

Eczema

Oh! The joy of a peaceful, restful night. What a wonderful "up and going" feeling follows such a night of undisturbed slumber.

Oh! What tortures—what agony—what despair—goes with the nights where eczema and other skin diseases hold power and drive away rest and peaceful slumber. For under the cover of darkness like crafty beings of the underworld these eruptions work their most serious havoc.

S.S.S. is the established conqueror of these annoying skin diseases. S.S.S. drives these ever disturbing elements from your system—elements that carry in their wake—lack of energy—undermining health! You may try in vain to get rid of them by using salves, lotions, washes, all to no purpose. You can't do it that way—the seat of the trouble lies deeper—impure blood trying to throw off poisons through the tender skin.

S.S.S. purifies the blood. It aids Nature in creating new red-blood-cells by the million! Blood-cells that send new rich blood coursing through your system. Red blood that drives away eczema—drives away pimples, blackheads, boils and rheumatism, too. An increase in red-blood-cells means added strength, added vitality and renewed vigor. Because the medicinal ingredients of S.S.S. are purely vegetable, it may be taken with perfect safety. Start taking S.S.S. today and watch it rout that annoying, skin destroying, health undermining army that holds your system in its grasp! Learn again what it means to enjoy peaceful, restful nights of slumber.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

S.S.S. The World's Best Blood Medicine

27 Million Families; 17 Million Automobiles—in the U. S. A.

THE Standard Oil Company (Indiana) is one of the outstanding successes of American industry.

It interprets success not from the balance sheet alone, but from the achievement of its ideal to produce gasoline and oil in sufficient quantities to meet all demands, and to sell these products at prices all can afford to pay.

Each year the registration of motor-driven vehicles increases, and with each increase comes a tremendous additional demand for gasoline and oil.

It is the business of the Standard Oil Company (Indiana) to meet this ever-increasing demand. To do this its facilities must be kept constantly ahead of current requirements.

The latest figures for 1924 give our national automobile registration as 17,740,236. When it is considered that there are but 27 million families (approximately) in our country, it is easy to see that the family enjoyment of the automobile is nearly universal.

We take great pride in the advance of our automobile industry but the vast expansion of this enormous business would have been impossible without the foresight, initiative, hard work and sound judgment of the oil industry generally, and the Standard Oil Company (Indiana) particularly.

For this universal employment of the automobile, a constantly dependable supply of oils and gasoline at low prices is necessary.

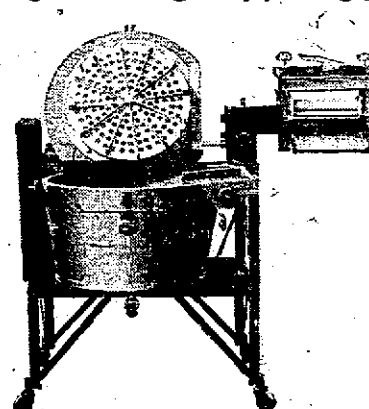

The business of the Standard Oil Company (Indiana) has prospered because it has served the millions—because its service has been honest, sincere, tireless and efficient—and because the basis of this service has been to hold down prices, and to be satisfied with small profits per item sold.

Such service has given impetus to the rapid growth of the automobile industry and this service has been a fundamental contribution to the splendid civilization we see around us today.

ELIMINATION TRIALS

ONLY ONE WEEK AWAY

Pilots Entered in 500 Mile Decoration Day Speedway Race Enter Final Training Stretch

MUST MAKE 80 MILES AN HOUR

(By United Press)

Indianapolis, Ind., May 19—With elimination trials for the 500 mile Decoration Day auto races at the Indianapolis motor speedway only a week away pilots entered for the race today started down the stretch of the training period.

The trials for starting position will begin May 26. Only cars making a speed of 80 miles or more an hour will be permitted to enter.

Peter DePaolo clipped off the fastest lap this year as his Duesenberg Special at a speed of nearly 108 miles an hour. His time for the two and one half mile run was 1:22 4-5.

Benny Hill's four wheel drive Miller Special made 106 miles an hour the first time he had his mount on the track.

Pietro Bordino, Italy's sole representative in the race, narrowly escaped injury when his Fiat Special blew a tire on a curve while he was hitting 107 miles an hour. The car missed the concrete retaining wall by inches.

FIGHTS AND FIGHTERS

Buffalo, N. Y.—Joe Lynch, former bantamweight champion of the world, lost a six round decision to Willie Cunningham, Buffalo featherweight. Jack Bernstein, former junior lightweight champion and Harry Cook, negro lightweight, fought a draw.

Boston—Tiger Flowers, Atlanta light heavyweight, won a 10 round decision from Pal Reed, Boston.

Troy, N. Y.—Harry Martone, Jersey City middleweight, knocked out young Fisher, Syracuse, in the tenth round.

New Orleans—Martin Burke, New Orleans heavyweight, won a 15 round decision from Floyd Johnson, New York.

Terre Haute, Ind.—Bud Taylor, Terre Haute bantam outpointed Mike Moran, New York, in a 10 round bout.

Kansas City, Kans.—Young Stribling, Georgia school boy, and Hughie Walker, local heavyweight, are billed here tonight for a ten round bout. The fight will be the second for the pair. Walker will enter the ring about 10 pounds heavier than Stribling. It will be the first big fight under the new Kansas boxing law.

CUNNINGHAM WITH ARRELL

May Win Double Championship

By HENRY L. FABRELL
(United Press Sports Editor)

New York, May 19—Mickey Walker will have a chance to become one of those double-barreled champions when he meets Harry Greb, the middleweight champion of the world at the Polo Grounds here on May 29. Walker, who holds the welterweight championship is stepping up a class in meeting Greb, but he will not be giving away too much weight, as he is one of those heavy welters who can fight in either division.

Since Walker made Mike McGuire the world's light heavyweight champion, look so foolish in a bout during the winter in Newark, a good many of the railbirds think that he is almost sure to beat Greb and win another title. The showing that Walker made against McGuire is a light heavyweight in name only as he is a legitimate middleweight and does not weigh much more than Greb.

McGuire's style and general class is so far different from Greb's that there is no comparison. McGuire is

one of those waiting fighters who likes to have the other fellow lead to him. Greb is a plunger who makes it so hot for the other fellow that he can't do any leading.

Walker, beyond all doubt, is a great little fighter. He is one of the best champions of the day, considering the real domination that he has established over his class. But perhaps he is not as good as his admirers think.

Gene Tunney, American light-heavyweight champion, who has outpointed Greb several times, said recently that there was only one way to beat him. "Take the steam out of him with body punches," he said. "If you don't, he'll throw so many thumbs, wrists, elbows, shoulders and fists at you that you'll never get started. He's too quick to get caught with a crack on the jaw."

Walker, who has patterned his style much after Dempsey's, is a heavy body puncher. Jack Britton, the former welterweight champion, said that Walker hurt him more than he had ever been hurt before when he was winning the championship from him.

SPORT CHATTER

Chicago—Stanislaus Zbyszko, veteran Polish mat man, is to meet Ivan Zaiken, Russian heavyweight, in the main event of a show here tomorrow night.

Chicago—College and University men will settle the championship of the courts at the University of Chicago annual tennis tournament. A strong field of western stars is interested in the matches which run from Thursday to Saturday.

Chicago—The Illinois A. C., champions of the A. A. U., will be represented by a full team at the annual Finnish America meet to be held here May 31, club officials announced.

Columbus, O.—Phil Goldstein, Ohio State University flyweight, won eight out of 12 rounds from Babe Keller of Cleveland. Cliff Binckley and George Kotzonaros wrestlers engaged in a boxing bout, Binckley scoring a kayo in the fourth round.

Vincennes—Richard Doser, 14, of Vincennes, was seriously hurt when a vaulting pole broke. One of the pieces punctured his abdomen.

From Ireland

Here we have another boxing champion from across the pond. He's Pop Humphries, bantamweight king of Ireland, a protégé of Ted "Kid" Lewis former welter titleholder. Humphries is now in this country training for his bout with Charley (Phil) Rosenberg.

GLENWOOD

The Christian Missionary Society held their monthly meeting Tuesday afternoon at the church.

Miss Helen Culbertson of Indianapolis spent the week-end with her mother, Mrs. Myrtle Culbertson.

Miss Pauline Reed of Orange is spending the week with her grandmother, Mrs. Eva Reed.

The Lucky 17 Club meets Wednesday afternoon at the home of Mrs. Dempsey Chaney.

Miss Irene Moser is staying with Mr. and Mrs. Martin Wright.

G. B. Carr has resumed his duties at the postoffice after a two weeks illness.

Herman Hinchman of Indianapolis spent the week-end with relatives and friends.

Mr. and Mrs. Otto Cameron of Connersville visited with Mr. and Mrs. Thomas Jones Sunday afternoon.

The Ladies Aid Society of the M. E. church meets Thursday afternoon at the home of Mrs. Lewis DeHaven.

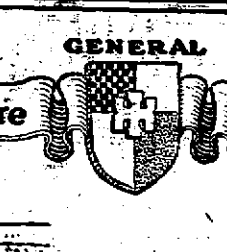

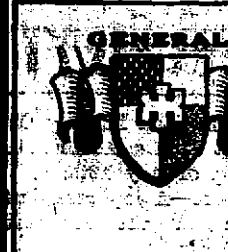

Mrs. G. B. Carr is improving after an illness with indigestion.

Mr. and Mrs. J. E. Holmes, the Misses Helen and Francis Richardson and Mrs. E. S. Wilson witnessed the "Womanless Wedding" at the school auditorium at Connersville Monday evening.

Mrs. Grace Stout and children of Arlington will move this week into the William Backett property.

Mr. and Mrs. Glen Swift and daughter of Lewisville, Ind., spent Sunday with Mrs. Effie Davidson and family.

Mr. and Mrs. Herman Moore and family of Falmouth and Mr. and Mrs. Martin Wright spent Sunday

Mark of the Leading Tire Store

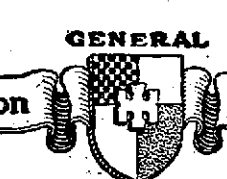

After your Generals have run 10,000 miles

After your Generals have run 10,000 miles it will pay you to drive to the store and let us look them over. Big mileage puts nicks and other injuries in tires and by giving attention to these spots we can often add many months of service to the further mileage that is left in the tires. Even when you trade in your car each year the extra mileage in General Cords is not lost to you, because tires in good condition add that much more to the trade-in value of your car.

KEEPING ONE EYE ON THE SCORE BOARD

Yesterday's Hero: Bill Terry, Giant crippled first baseman, broke a tie with a homer with one on base and helped the Cubs, 5 to 2. It was the eighth victory in a row for the Giants.

The Cincinnati Reds lost their fifth straight game when they were knocked off by the Braves 5 to 4. Five hits off Donohue in the sixth inning with two down scored four runs for the Braves.

George Sisler hit safely in his 33rd consecutive game but he couldn't help the Browns enough and they fell before the Red Sox, 12 to 7.

Seven pitchers were kicked all around the field but the Yankees hit harder and beat the Tigers 9 to 7.

Barrett's daring base running ahead of pokes by Kamm and Chalk scored a run that gave the White Sox a 6 to 5 victory over the Athletics in 14 innings. The Sox's victory stopped the A's winning streak of nine straight.

The Cardinals helped the Phils celebrate jubilee day by snatching a 10 to 9 victory in 11 innings.

Two passes in the first inning with the bases filled forced in two runs and helped the Indians beat the Senators 9 to 6.

Seven runs scored on a rally in the fourth inning gave the Robins a 12 to 7 victory over the Pirates.

SETS NEW LAP RECORD

Indianapolis, Ind., May 19—Peter DePaolo, piloting a Duesenberg special, set a new lap record for the Indianapolis motor speedway in practice run today. DePaolo made the circuit of two and one half mile track in one minute and twenty seconds, making an average of nearly 111 miles an hour.

BOOZE UNDER HENS

Columbus Ind., May 19—Setting hens failed to hide four quarts of alcohol for Elmer Hanson when Sheriff Arbuckle raided his farm. The sheriff saw the bottles sticking through the feathers.

THOROUGHBREDS

Your automobile engine performs a wonderful service for you every day. It is a marvel of modern mechanical efficiency—a thoroughbred in its world. And just as much as a thoroughbred race horse, it needs constant attention to keep it in the best of condition. Hardly any motor gets constant attention but it should at least have a thorough examination at regular intervals.

The Sons of Veterans Auxiliary will hold their regular meeting Thursday afternoon at two o'clock in the G. A. R. room of the court house.

The 4-H Girl's Sewing club of Jackson township has postponed its meeting to have been held Friday afternoon of this week until Friday afternoon, June 5.

The Industrial Club will be entertained with an all day meeting and pitch-in dinner Wednesday at the home of Mrs. Eva Offutt in East Sixth street. All the members are urged to attend.

The Music Study Club will meet at the home of Mrs. Walter E. Smith Wednesday evening at 7:30 o'clock. At this time each member may bring two guests and are also requested to bring their federation dues.

Mr. and Mrs. William Bainbridge entertained Sunday with a dinner party at their home in East Third street. Their guests included Mr. and Mrs. Jesse Baldwin and Mr. and Mrs. Luther Shirley and son Billy of Irvington, Ind.

The Missionary Society of the First United Presbyterian church will meet in the church parlors Wednesday afternoon at 2:15 o'clock. All the members are asked to be present as business of importance will be before the society.

Miss Mary Schell entertained with a pre-nuptial party Saturday evening at her home in Cincinnati, Ohio, honoring Miss LaVaughn Schell of Glenwood, a sorority sister, whose marriage to Stewart Garrison will take place in June.

Mr. and Mrs. Joseph Clark had for the week-end house guests, Mr. and Mrs. George Lambert of Connersville. Mr. and Mrs. Lambert are the parents of Mrs. Clark. Sunday afternoon they attended the annual meeting of the Diapason singers held at the Christian church in this city.

Miss Irene Reardon was hostess Monday evening to the members of the Immaculate Sodality of the St. Mary's Catholic church at her home in West First street. A business session was held and a social hour was enjoyed afterwards. Delicious refreshments of salad, sandwiches and coffee were served.

Mr. and Mrs. W. O. Wright, living north of the city, entertained Sunday with a prettily appointed chicken dinner, the following guests: Miss Laura Maple, Miss Anna Fowl, and Forest Marshall all of this city, Miss Margaret Warfield of Indianapolis, Elvin Fowl of Winona Lake, and Carl Wright of Cincinnati, Ohio. The afternoon was enjoyed with music and games.

Mrs. Howard Dillard and Mrs. Edward Berry are in Indianapolis, representing the Rebekah Lodge of this city, at the forty-first annual Rebekah assembly of Indiana in the L. O. O. F. hall. The assembly opened Monday with approximately two thousand women from every part of the state in attendance. Election of officers and reports of committees will be the principal events at today's session. The assembly will close tomorrow with a visit to the L. O. O. F. home at Greensburg.

The Juniors of the Graham high school have issued invitations to the seniors, members of the faculty and members of the school board for a reception to be given at the Elks Hall Friday evening of this week. The invitations carried out the class colors of green and pink, being concealed in green envelopes and sealed with the pink letter wax. The invitations requested the presence of the guests at the "Green Tavern Inn," but the remainder of the evening's entertainment was not divulged.

The D. A. R.'s will be entertained Thursday afternoon at the home of Mrs. Fred Caldwell in North Morgan street. The assisting hostesses will be Miss Laura Meredith, Mrs. Dora Wilson, Mrs. Hester Harton, Mrs. Coma Gray Mrs. Nellie Titsworth and Mrs. Ruby Crist. The program will consist of a violin solo by Mary Louise Wyatt; vocal solo by Miss Florine Gronier; report from the national conference; election of delegates to the state conference; and annual election of officers. It is very

Rush County Federated Club News

The American Literary Club was the guest of Mrs. Adeline Dugal the afternoon of May 13th.
Response—A Japanese Custom.
Japan and the Japanese—Mrs. Laura Jones.
Our Relations with Japan—Mrs. J. F. Miller.

The Advance Literary Club was entertained the afternoon of May 15th by Mrs. Coma Gray.
Responses—Favorite Author.
Our Island Possessions—Mrs. Ruby Butler.
Profiteering—Mrs. Rena Warner.
Mrs. Anna Frazee most entertainingly described her recent trip to California which feature served as a worthy close to a very active club year.

Mrs. Gladys Osborn was hostess to the Komenri Club Monday afternoon, May 18th, at which time Mrs. Kate Allen reviewed the Literary Fashions of Today grouping them as follows: South Sea Stories—Slices of American Life—Glad Books—Sex Problem—Biography—Conflict between Generations—Small Town—Business Man—New Woman—Flapper—International Thought—Race Problems—Mystery Stories—And with these general headings Mrs. Allen gave representative examples of each.

Mrs. Bussard reviewed "The Rise of Silas Lapham" by William Dean Howells.

This program concluded the club year and new programs were issued revealing the fact that their next club year will deal with the short story and its place in modern fiction.

When two years ago the County Federation welcomed you as a member there was something entirely modest about your name to us and we wondered for a while if you really meant business but our doubts about you have flown to the four winds. You might style yourselves another year as the "Kamandids."

The Rushville Delphian Chapter met Friday afternoon May 15th on the balcony of the Elks Club, the guest of Mrs. Leila Sexton. Mrs. Will Amos was the leader of the day. Mr. Curt Hester read and reviewed Whittier's "Snowbound." Mrs. Sexton reviewed Emerson's "American Scholar." Mrs. Clara Lambert gave the biography of Poe and of Whitman together with representative works of each. The membership discussed at large: Holmes, Emerson, Whittier, Poe and Whitman.

The society will next meet at the Elks Club, May 29th the guest of Mrs. Harold Pearce, at which time the membership will decide whether or not to divide next year's program to extend over two years, instead of one, for the purpose of more thoroughly covering the ground outlined. The tenth month—first and second program—will be taken in one at this meeting which will close the chapter's club year. A full attendance is much desired.

The Sunshine Club of Washington Township is to have a Mothers Day program with Mrs. Helen Gray Wednesday afternoon of this week as follows:

Responses—Mother
Century of Dress in Three Parts:
Our Grandmother—Mrs. Florence Poer.
Our Mother—Mrs. Bertha Eakin.
Our Own—Mrs. Helen Gray.
Song—"Old Grey Bonnet" (in costume)—Mrs. Augusta Clifton.
The Ripley Country Club is to meet May 21st with Mrs. Frank Overman in honor of their mothers. A splendid program is planned.

VACATION

Our club year is either over or so nearly over that our minds have already become relaxed in club thought and they naturally turn to a consideration of a changed activity which is the basis of any vacation. Some "vacate" at home; some go elsewhere to rest but whether they do the one or the other it is the change that every one needs. If we as club women have thrown ourselves into thought and work for the general good of our minds, our communities, our nation and our homes throughout the past year our consciences are in a state to enjoy a change. We shall revel in good books, journeys by train and automobile, visits from ones who can come only at this time of year, the development and receipts of our gardens and self-made surroundings, and secretly, on the first day the club does not meet, we shall sign a relieved little sigh, drop down into our favorite chair, pray that the phone won't ring and revel in the doing of that we have often told ourselves we would be doing it if weren't for club meeting.

Yes—This is the spirit of vacation and the we shall become restless later on and discontent with doing nothing it is a very sweet experience to recreate for a season and disobey the usual laws which govern the greater part of every year.

MAYOR UNLOCKS THE GATES

(By United Press)

Indianapolis, Ind., May 19—A parade of motor busses representing an investment of nearly \$2,000,000 featured the celebration incident to the opening of the new bus terminal at Maryland street and Senate Avenue here today.

Forming at North street the parade moved south on Meridian street to the circle and, through downtown streets to the bus terminal.

Along the last few blocks the procession passed through avenues lined with huge white columns covered with flags and flowers.

At the conclusion of the parade the building was formally opened. W. B. Hiner, president of the Red Ball Bus Terminal company, presented Mayor Shank with a large key to unlock the gates leading to the passenger loading platform of the terminal.

Dancing in the streets adjoining the terminal and vaudeville acts were on the program for the evening. The streets will be lighted with a large battery of flood lights.

An old passenger bus, brought from New Orleans, where it was put in operation in 1891, was one of the features of the parade. The bus was filled with passengers dressed in costumes of '91.

The Indianapolis bus terminal is said to be the finest of its kind in the United States.

MISS OLIVE LOGAN WINS DECLAMATION

Continued from Page One

particular activity, which he agreed to sponsor.

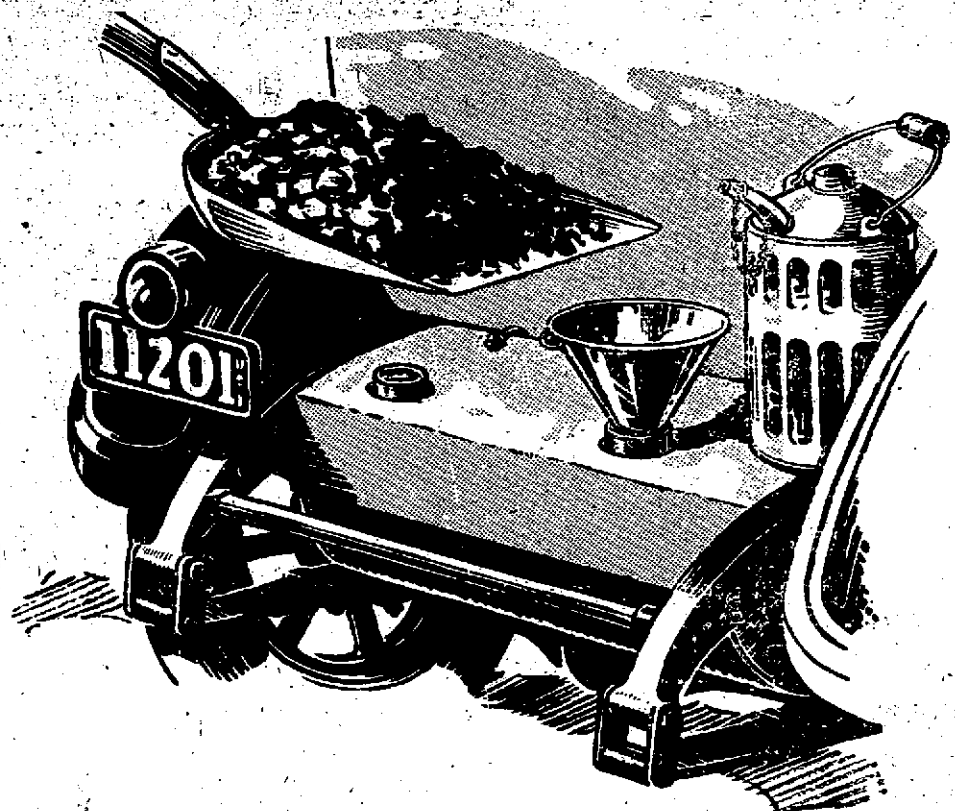

Mr. Mansfield commented on the oratorical contest on the constitution, which has attracted attention all over the country, the music memory contest, Latin contest and other competition in the high school, including basketball, all of which, it was agreed, he said, had been very successful and worthwhile.

"So, I agreed to sponsor a declamation contest," continued Mr. Mansfield, "and to offer a modest prize to encourage competition, in such a commendable enterprise. It gives pupils such a wonderful opportunity to develop the use of that great vehicle of expression, the human voice, and if the contestants are better enabled to express themselves, it will be eminently worthwhile."

Mr. Mansfield complimented Miss Hamrick for the special effort she made to coach each contestant and prepare the program, and he said he was particularly pleased with the high school pupils in accepting the proposal with so much enthusiasm, which was typical of the spirit of youth.

"It is a peculiar pleasure to me to be able to sponsor this contest," he declared in closing.

Do These Belong in Your Gasoline Tank?

—UNBURNED CARBON that clogs up your valves, bakes on your pistons and steals your power.

—UNEXPLODED KEROSENE that flushed the oil from your cylinders, drains past the pistons into your crank case, and thins your lubricant to the point of uselessness and danger.

When you correctly estimate the savings that follow the consistent use of

Silver Flash Gasoline

—and when you check up the damage caused by poor motor fuel, it makes it look like pretty sick economy to save a few pennies per gallon at a "cheap" gasoline station.

For motoring comfort and motor safety, gladly pay the trifle more for Silver Flash

ACCOUNT COMPLAINT IS HEARD

Judge Sparks Hears Evidence in Ellman vs Grubbs Case

Judge Sparks was busy today in the circuit court hearing a case on an account, in which J. C. Ellman and Son are plaintiffs and Ernest J. Grubbs, defendant. The action was requiring considerable time to be presented to the court, and the jury was not used.

In addition to seeking judgment for \$700 on the account, the plaintiffs also were seeking to have a deed set aside.

RECEIVE AIRPLANE MAIL

Mrs. L. L. Ferree living just west of the city, received a letter this morning, sent by airplane from her daughter, Mrs. Sallie Ferree Richardson, living in San Diego, Calif. Airplane mail is very unusual in this county.

FORMER SENATOR DIES

Lagrange, Ind., May 19—Funeral arrangements were being made today for Otis Ballau, 76, attorney and former state senator, who died here yesterday.

FIRING SQUAD AT FUNERAL

Anderson, Ind., May 19—A firing squad from Fort Harrison was present at the funeral of John Carmody, shot and killed by James McFarland, local detective.

Bloomington—Folks who paid \$1 for seats in the gallery of the Indiana University gym to view the Junior Prom are peevish. A canvas ceiling hung for decorations shut off the view.

Bloomington—An ornamental gate to cost \$2,000 which will be placed at the entrance of the new Indiana university memorial stadium will be the gift of the 1925 graduating class at the school.

Greencastle—Putnam county farmers predict a large crop of apples in case frost does not injure them. Some of the apples now are as large as peas.

OUT OUR WAY
